Park District's 'Temporary' Ice Rink Is Made Larger

Provided the weatherman is correct in his prediction of continued sub-freezing weather, even more ice skaters will have the opportunity to indulge in the winter sport during the next few days at the park district's "temporary" rink.

Located in Wilson Park near the junction of Benton street and Fehling road, the "rink," formed by flooding a low section of ground about 175 feet in diameter, was enlarged by adding more water last night after the last of some 500 skaters had departed shortly before midnight.

The skating area was formed on short notice after vandals had punched 25 holes in the plastic "skin" of the rink. The rink's rectangular rink, erected on the Wilson Park softball diamond, shortly before 8 p.m. scheduled to open early this week.

Park Supt. O. H. Williams said today that the area being used on a temporary basis until the plastic rink can be repaired "gives us the room to accommodate many more skaters." The flooded (and currently frozen) oval extends to a length of 225 feet at its widest point. The water added last night is expected to add several hundred square feet of skating space to that already available.

Skaters began to appear at the area shortly after school was dismissed yesterday afternoon, and by dusk park employees had succeeded in erecting large barriers and fuel were provided to keep skaters warm last night, and park recreation director Harold Brown said today that benches and tables would be placed around the rink to accommodate the even larger crowd expected this afternoon and tonight.

Man Seeking Directions Arrested By FBI Agents

K. D. Rodgers, 51, East St. Louis, asked the wrong men for directions to St. Louis, here at 2:30 p.m. Tuesday.

When Rodgers, walked up to two local FBI agents and Madison police officers at 1350 Madison avenue, the agents recognized him as a fugitive sought for unlawful flight to avoid prosecution for extortion. He immediately was placed under arrest by the FBI agents, who took custody of him.

Rodgers was arraigned before a federal commissioner and is being held in the St. Louis city jail under \$5000 bond pending trial in St. Clair county.

County, Levee Dist. Primary Opposition

Committeeman, State Representative, Rices; Filing To End Monday

The April primary election will include contests for corner clerk, state representative and levee district board members, this week's candidates filing indicated. Filing at Edwardsville and Springfield will continue through Monday afternoon.

Many precinct committeemen also will occur here in April, and still more filing is expected both in the committeeman and county races. No filing has taken place yet for four county Republican nominees, five Republican levee district nominees and three Democratic representative committee posts.

Democrats filing for county office this far include the five incumbents. No opposition has developed yet for incumbent officials. No opposition has developed yet for incumbent officials. No opposition has developed yet for incumbent officials.

Ballot Positions
Circuit Clerk Shanon Kellerman Jr. of Edwardsville drew the top ballot position against Willard V. Portell of Clark County, while Dr. W. W. Billings of Alton, corner, lost the top listing to Ben F. Staten of Alton in a drawing Monday afternoon.

Only Republican to file yet for county office is John Jay Dicks of Alton, for recorder of deeds. State representative candidates are Rep. Lloyd C. Hardig (D) of Granite City, Rep. Paul Walker (D) of Troy, Rep. Ralph Smith (R) of Alton, James E. Walton, a Granite City Democrat, and Robert E. Wharton, a Wood River Republican. Edith Harty District lineup shows four incumbents, all East St. Louis.

Although the grant has been approved, Chairman Hoelscher advised the aldermen that considerable additional data must be furnished the federal agency before the funds can be issued.

"We intend to proceed with gathering this information at once and early action by the city council on an engineering firm will aid materially by indicating to the federal agency that the program is proceeding at this end as rapidly as possible," he said.

The citizens' committee, appointed a year ago by Mayor Davis and the council, also was requested earlier this month to make a study and report on the local river pollution situation, which Hoelscher said could be undertaken with the committee's full energies "once the sewer-drainage study is completed."

Tuesday night's conference was held due to the absence from the first meeting last week of Aldermen Norn and Schmitt.

Class Of 96 To Graduate Monday At High School

Addresses By Brock, Students In Program At GCHS Auditorium

A class of 96 top seniors is scheduled to participate in commencement exercises of Granite City high school at 8 p.m. Monday.

Guest speaker will be George F. Brock, principal of West Sen for high school, Aurora, and former Edwardsville high school principal, who will discuss "The Launching Pad of 1960." The graduation will take place in the school auditorium.

Other speakers will be Mrs. Elayne Schuman Spengler, valentines of "Generation of Oblivion," and Marcella McLester, salutatorian, on "Generation of Opportunity."

Home Looted of Radio, Jewelry; Some Recovered

A granite City home was ransacked last night by burglars who stole a 12-gauge automatic shotgun, two radios and a man's wristwatch, police officers said.

Lee R. Gornell, 2904 Sunset drive, reported to police at 10 p.m. that his home had been entered some time after 9 p.m. by burglars who smashed a pane of glass in the rear door.

The jewelry box contained a cross with six small diamonds, a woman's lapel watch, a small gold ring with a diamond-shaped stone and a pair of earrings. No value was listed for the items.

A break-in at the Belvedere Motel, 2000 S. Main street, was reported to Granite City police yesterday morning, but Store Manager Tim Fehling said nothing was taken. Entrance was gained by breaking a plate glass window on the northwest side of the store.

A roll of chain link fencing, valued at \$15, and a small amount of the new parking lot under construction at 20th street and Cleveland block, was reported to Granite City police Monday afternoon by Jim Velez of St. Louis, an agent for the firm installing the fence for Granite City Steel Co.

Four windows were stolen from a 1953 auto belonging to Beulah Humphreys, 2134 Woodburn avenue, last night when the car was parked in the 2700 block of Idaho street, according to Granite City police records.

3rd Ward Solons Disagree Over Procedure On Petition

A verbal clash flared between the two Third Ward aldermen, Rufus LeMaster and Arthur Wierzer, with a bit of audience participation, as the main topic of Monday night's Granite City council session concerned streets.

The brief petition was read by City Clerk A. J. Stevens. Wierzer commented that he saw nothing wrong with the request, since the 1900 block of Benton street is two-way, but asked that the petition be referred to the aldermen of the ward for study.

LeMaster wanted no part of the petition and said he knew of the petition even if Wierzer did not. He told of receiving 11 telephone calls from residents of the 1900 block of Benton street asking for abolition of one-way streets.

In the debate, LeMaster threatened to "trim" Wierzer in the absence of Mayor Davis and Wierzer argued over a petition to abolish the one-way street in the 1900 block of Benton street.

Grand Jury Praises Local Police; Cites County Taverns

Officers of the Granite City and Madison police departments were praised in a special report yesterday by Madison county grand jurors in preparation of evidence presented in several cases last week at Edwardsville.

The jurors, in the same report, also recommended drastic action against taverns found to be "repeated offenders" of closing hour regulations and restrictions against serving liquor to their licensees.

The officers commended by the jurors were Chief Barney Pfandorf of Madison and Chief Detective James R. Lowndes of Granite City. "They made very excellent presentations of facts to this grand jury," the report stated.

The jurors were expressed for the lackness of some police agencies investigating the cases going before the jury. Possibly this was due to the need for more policemen in the various departments," the jurors added.

25-Year Firms In Area To Be Honored

Special Awards Banquet Set For May 17th; List To Date Totals 111

Recognition and honors will be bestowed upon Quad-City businesses which have been in existence for 25 years or more, a committee made up of representatives of the Associated Retailers, Chamber of Commerce and East Side Manufacturers Association.

A banquet date has tentatively been set for May 17 at the Granite City high school cafeteria, and an added feature, an invitation is being extended to all persons who have lived in the Quad-Cities for 75 years or more to be special guests.

A list of 111 businesses qualified for the special honors has been compiled by the joint committee, and Co-Chairman Arthur Brown on procedures to be followed in completion of the new Blair and Harris schools and assignment of teachers and students to the new buildings.

Brown's recommendations included removal of the present Blair and Harris structures as soon as the 1959-60 school year is completed. The razing project is to be handled on a low bid basis.

The board visited Harris grade school after adjourning Tuesday in an effort to determine which portion of the building and its contents can be salvaged by the district. A similar inspection tour of the Blair building is planned later.

Following grading, paving, landscaping and fencing of the school yards also will be in contracts to the low bidder or contractors to be awarded by the board.

Work is to be undertaken during the summer months, and include removal of a number of trees parallel to the new Harris school along sixth street which would prevent off-street parking there.

To Select Furnishings
Brown was authorized by the board to meet with Althea Virgil Duergoff to determine the type and quantity of office, speech, correction, cafeteria, teachers' room, classroom furniture and kitchen equipment and furnishings which the district will purchase for the two new schools.

The adopted recommendations also made some changes in present teacher assignments at the two schools. Teachers presently instructing the fourth, fifth and sixth grades at Blair will teach the first, second and third grade teachers at Blair. The Blair school will be moved to Blair school.

Two kindergarten classes at Blair and one at Harris will continue as "K-1" and "K-2" Hoopengardner 36, Hundley Pond 31, Illinois Terminal 30, Johnson - Wright 30, Kahl's Hardware 53, Kirschner Hardware 31, Kozak's Market 30, Kroger 25, Laclede Steel Co. 30, LeMay Funeral Home 53, LeMay Store 25, Lee Shop 30, Life Drug Store 53, Link Barber Shop 46, Luaders Realty 34, Lybarger 45, Madison Coal 6.

City Sells Tract To Park Board

A resolution conveying a tract of land to the Namecki road fire station to Granite City park district for the sum of \$1 was approved by city council members Monday night.

The property, containing several acres of ground, was acquired by city in 1949 through the annexation of the city of Granite City to the park district by the Rott family, and a recommendation was made by the city council that the park board name the tract either "Rode Park" or "Rode Playground" in honor of the donors.

In the resolution, the city said it had neither the funds nor the authority to develop the tract as a park or playground.

The transfer of the land has been under consideration for several years and if the park board members have expressed interest in developing it as a neighborhood park and playground.

2-For-1 Common Stock Split Authorized For GC Steel Co.

The stockholders of Granite City Steel Co. this week approved a two-for-one stock split and an increase in the number of shares of common stock of the company authorized to issue to 7,500,000 shares, from the present 3,750,000 shares.

There were 1,865,230 shares of common, or 81.3% of the total outstanding, voted in person and by proxy at the special meeting of stockholders, held Monday at the company's office here. This was the highest percentage of representation at any meeting of the company's stockholders. The amendments to the certificate of incorporation were approved by 95.5% of the shares voted.

The record date for the stock split will be Jan. 22. Certificates previously issued to represent shares of common stock will be accepted indefinitely as "good delivery" for sales on the New York Stock Exchange. These old certificates will represent one-half the number of shares of

Granite City Steel common after the two-for-one split. Other certificates to be mailed to stockholders after Feb. 15.

Nicholas P. Veeder, chairman of the board and president, told the special meeting that the directors asked for their approval of the stock split to provide a wider market for Granite City Steel common stock. Veeder emphasized that the company does not plan to issue any additional shares of common in the near future. He said the increase to 7,500,000 shares in the number the company is authorized to issue will provide a flexible capital structure more adaptable to Granite City Steel's long-term requirements for expansion and plant improvements. There are now 1,865,230 shares of Granite City Steel common stock outstanding. The company's annual production capacity is 1,440,000 tons of steel. It has approximately 10,120 stockholders.

Railroad Orders To Increase For American Steel

"It is estimated that 60,000 freight cars will be ordered by the railroads in 1960, compared with 50,000 in 1959, Joseph B. Lanterman, president of American Steel Foundries predicted at a meeting of company stockholders in Chicago, Tuesday.

Lanterman spoke of these orders in saying that transportation equipment division of the company, of which the Granite City plant is a part, should have much more business this year than in 1959.

"An improved backlog of freight car orders, an anticipated high level of freight movement and the generally accepted need for a more adequate freight car fleet are the reasons behind this optimism," Lanterman said.

The bright outlook in this division was part of an overall higher earnings prediction for the company when Lanterman stated that the first three months of 1960 should be more profitable than the last few months of 1959, barring a major strike or work stoppage.

The stockholders voted at the meeting to approve the proposed two-for-one split of the company's common stock by issuing additional certificates for each share outstanding at the close of business on Jan. 26.

The directors declared a dividend of 40 cents a share on the increased shares, payable March 15, to stockholders of record on Feb. 26. This is 80 cents a share, on stock prior to the split, compared to 60 cents, the quarterly rate paid since Dec. 15, 1955.

They also decided to increase the authorized common stock to 10 million shares from the present three million, which provides shares for possible future needs.

Although net income increased in 1959, the upsurge was not as great as it could have been had it not been for the steel strike, Lanterman said. Many customers, especially the railroads, could not get basic steel and therefore shut down most operations including the use of American Steel Foundry products.

Earnings in the last three months rose to \$1.42 a share, or \$1.05 per share, compared with a net of \$501.170, or 30 cents a share, in the same period a year ago. Sales increased from \$221,011,332 to \$271,265,155.

Hearing For Driver In Crash Postponed

Postponed until Feb. 2 was Tuesday's hearing for Vincent West, 46, of St. Louis, who was arrested on Jan. 11 by Granite City police following an auto-truck accident at 16th and State streets in which two persons were hurt.

West had pleaded not guilty to charges of reckless driving and driving while under the influence of liquor and is free on \$20,000 bond. Police Magistrate Gasparovic said the hearing was postponed two weeks ago pending the outcome of injuries suffered by the two occupants of the auto. Mrs. Elida Daubert, 58, of 1235 Klein street, Venice, vice-president of the Venice park board, and her grandson, who was driving the car, Robert Charles Minke, 17, also of 1235 Klein street.

Mrs. Daubert, who remains a patient at Barnes Hospital, St. Louis, was reported to be in "satisfactory" condition. She suffered severe facial cuts, fractured jaw, loss of several teeth, fractures to the left leg and finger on the left hand, dislocated left hip and clipped bone in the right leg.

In a recent DWI case before Police Magistrate Gasparovic, the charge of driving while under the influence of liquor was lowered to reckless driving because of insufficient evidence, the magistrate said.

In the hearing for Vincent West, 42, of Glen Carbon, the driver was found guilty of reckless driving and fined \$500 and costs. He pleaded guilty to additional charges of driving in the wrong lane and improper passing and was fined \$10 on each count. The charges resulted from a three-vehicle accident on Edwardsville road a month ago.

Negotiating With 2 Unions At A. O. Smith

Negotiations between the Machinists and Electricians unions and A. O. Smith Corp. are continuing. It was learned today.

A wage offer was made yesterday by plant officials during negotiations here with officers of Electricians Local 309, and the proposal will be submitted to the 25 electrician employees tomorrow.

Officials of both the electricians union and the company said all contract matters have been settled with the exception of wages. The old one-year contract expired Jan. 1, and negotiations have been underway for at least two months. The amount of yesterday's offer was not disclosed.

Officers of Machinists District 9 and the company are to meet here Saturday with the U.S. Conciliation Service on the wage-reopening clause of the Machinists' two-year contract. The

present contract runs to next Jan. 1, with the wage reopening permissible last Jan. 1. The negotiations involve 21 machinists and have been underway for over a month.

The Census Bureau counted 1,123 private detective agencies in the United States in 1958.

Dr. See To Address Trades Council Here

Dr. Harold See, vice-president of Southern Illinois University, will outline operations at the proposed southwestern campus near Edwardsville during the next regular meeting of the Trades and Labor Council, AFL-CIO, it was announced during last night's meeting by President Edwin Reiske.

During last night's session of the council, a report was presented indicating progress in union organizing for about 150 employees at St. Elizabeth Hospital. Visits are being made by two organizers to the hospital employees' homes in an effort to secure signatures for calling an election. Reiske said the union would be Building Service Employees and Cooks & Waitresses.

The 65 council delegates present praised the Madison County Mental Health Society for opening a local clinic to serve the Quad-City area.

Revise Retirement Policy, Madison High Curriculum

Several major revisions in the school district's teacher and employee retirement policy were approved by the Madison school board Tuesday night, giving the board "opportunity to make decisions on persons after retirement age has been reached," according to Supt. Wensel Brown. The revised policy now includes a statement to the effect that any employee reaching retirement age during any fiscal year will have the privilege of completing that year.

Annual Review
The school board also added a paragraph to the retirement statement which will leave to its discretion the hiring of teachers and employees after retirement age with physical and mental fitness being the prime determinants, consideration to be on an annual basis.

The final statement added to the policy, which becomes effective immediately, says that at no time will the retirement age exceed 70 years.

Offer Russian
Several curriculum changes at Madison High school also were approved by the board. They included offering a course in beginning Russian language next year, moving of American history classes from the senior to junior years, and authorization for juniors and seniors who have maintained "B" or higher averages as freshmen and sophomores to take five solid subjects.

The recommended changes were approved by high school Principal John Palchert, and have the approval of the North Central Association, Brown said.

Democrats, Dan Costello, Lawrence Tolan, George Duff and John Stalla, running with Ernest El, Granite City Democrat, for five nominations.

There have been no Republican levee district filings, but other Democrats filing petitions have been Thomas McGee, of Venice, Monroe, E. Elmer, of travel township, a former Granite City, and Michael Stewick and Thomas F. Elmer, of East St. Louis and John Kerins of Washington Park.

Price Unopposed So Far
Cong. Melvin Price (D) filed this week, with no rivals filing so far on either ballot.

Three who have filed for three Republican representative committee positions in Madison county are Arthur Habekost and Maurice U. "Doc" Danner, both of Granite City, and Ray Herbst of Collinsville.

Only candidates filing for two positions on the Madison county board of school trustees have been the two incumbents, William G. Flagg, of Alton, and John R. Walker of Alton.

State filing on the Democratic side shows Lar Daley of Chicago for president; Sen. Paul Douglas of Chicago for U. S. senator; Otto Kerner of Glenview, Joseph D. Lohman of Chicago and Stephen A. Mitchell of Chicago for governor; James R. McGaughy of Mount Vernon for secretary of state; Michael J. Howlett of Chicago for state auditor; and William G. Cook of Chicago for attorney general.

A listing of state Republican filings shows Les Daily, Douglas MacArthur of New York for president, John W. Lewis Jr. of Maricopa, Ariz., for U. S. senator; William H. Reischler of Lake Forest for senator; Hayes Roberts, son of Flossmoor and Les Granger of Chicago for governor; Charles F. Carpenter, incumbent, East Moline, Ill., for secretary of state; and incumbent Albert S. Smith of Decatur for auditor.

Committee-Maning
Nine contests developed during filing this week for party precinct committee posts in the 42 Quad-City precincts. It was learned at the office of Miss Eulalia Holt, county clerk, that the six Democratic contests reported thus far are in Granite City, Venice, Venice 10, Namecki One and Namecki Three. The three Republican contests are in Granite City, Venice 10, Venice 12 and Venice 13.

A listing of Democratic committee candidates follows: Granite City township—One, Frank J. Purosoy; Two, Louis Postawko and Raymond D. Horn; Three, Joseph "Joe" Cuvier; Four, Arthur Herschel Gans; Five, William M. Jenkins; Six, Arthur Wierzer; Seven, Charles Guenther; Eight, John L. "Blackie" Cross; Nine, Walter P. The price of milk in the Quad-Cities dropped today to 28 cents a half-gallon after local dairies joined St. Louis companies in lowering the wholesale price 9 1/2 cents. The regular price has been 38 cents.

None of the local dairies, Dressel-Young, Massey or Granite City Dairy, would pinpoint the cause of the price dip except to meet competition from across the river.

The new price will be temporary, however, with prices expected to be back to normal by Monday or next weekend at the latest.

"This sort of situation hurts all concerned," a spokesman for one of the dairies said. "The consumer gets confused on what the price really is and often buys a large amount of milk only to have to throw it all away when it spoils. The stores resent it because it causes a rush on weekends, when the specialists on, and a slack period during the week. They also have to go to the trouble of marking prices down and then up. And finally, the dealers and dairies themselves lose money because we can't afford to sell milk at this lower price."

The American Legion Auxiliary held its monthly social meeting Friday evening at the Legion home on Madison avenue. Thirty-two members were present and the hostess committee for the evening was composed of Mrs. Amelia Brandes, Mrs. Martha Montague, Mrs. Irene Hendricks and Mrs. Myrtle Miller. The ladies enjoyed the time playing games and the score awarded were given Mrs. Vivian Harms, Mrs. Georgia Shaw, Mrs. Florence Tempo, Mrs. Veronica Piebark, Mrs. Inez Smith, Mrs. Edna Williamson and Mrs. Ruby Harris. Luncheon followed the games.

Madison high school basketball lost a heart-breaking game to East St. Louis on the final floor Saturday night and with it went their grip on the circuit lead. The final score, 24-14, with East Side scoring five points in an overtime period to win.

Woodrow Previtt of Third street was the honor guest at a party given Saturday night in the home of Frank Jones Jr., 1914 Fourth street. Games were enjoyed until a late hour when a daily luncheon was served to Miss Annawill Bosworth, Miss Edith Hurst, Miss Dorothy Foot, Miss Jeanette Sharp, Ben Bosworth, Burley Bell, Jack Brubaker, Frank McManaway, Arvel, Paul and Sanford Price, John Lybarger and Frank Jones.

Luncheon at 1 p.m., followed by bridge, was a delightful feature of the club party given Thursday afternoon of the past week by Mrs. Lucas Van Buskirk at her home on Benton street. Those for whom covers were placed were Mrs. Don Taggart of East St. Louis, Mrs. Frank Heister, Mrs. A. B. Ruyale of Namecki, Mrs. C. B. Ruyale of Namecki, Mrs. Myron Crank of East St. Louis, Mrs. Rex Anderson and Mrs. Claude Lambert.

The annual spring institute of the West Granite WCTU took place Friday at the Dewey Avenue M. E. Church in connection with the regular meeting of the month. The morning session was joined with business. President, Mrs. J. V. Little, before the meeting was again called to order. The devotional period was in charge of Mrs. T. P. Wilson and there was a solo by Mrs. Irene Haug accompanied by Mrs. Bessie Baiding.

HONORED ON BIRTHDAY
The 84th birthday of Mrs. Minnie Smith of Madison was celebrated Sunday with a family dinner at the home of her son-in-law and daughter, Mr. and Mrs. Sam Ayers of Marysville. There were gifts for the honoree and she received a bouquet of flowers from her son and daughter-in-law, Mr. and Mrs. Orie Smith of Granite City, and a cake from her grandson, Jimmy Smith.

Places were arranged at the dinner for Mr. and Mrs. Elmer Gregory of Paducah, Ky., C. D. Smith and children, Billie Earlene and Terry, of Edwardsville, Mr. and Mrs. Bob Smith and son, Bobby, Mr. and Mrs. Carl Ayers and son, Gary, of Granite City, Mr. and Mrs. Sam Ayers and the honor guest.

Gary Waylask gave the opening prayer at a weekly meeting of St. Mary's cub scouts in the home of the leader, Mrs. Anthony Ratkiewicz, 1608 Fifth Street, Monday. The boys completed a handicraft project and made boats from walnut shells. Mrs. Sam Hudzik sent refreshments served with a birthday cake furnished by Mrs. Ratkiewicz. Those honored were Danny Tenko, who is ten years of age, and Robert Wojtowicz, nine. The birthday song was sung by Eugene Kierski, Michael Darling, James McClure, Albert Hudzik, Arthur Ratkiewicz, Gary Waylask and the den chiefs, Billy Steiner and Andrew Ratkiewicz. The meeting was closed by Timothy Morton.

Evening services at the Central Free Methodist Church Sunday were conducted by the Christian Youth Crusade in connection with a national CYC observance. The group includes youngsters aged nine through 14. Activities during the observance have included a party at the home of Mr. and Mrs. James Melton, 2725 Iowa street, a paper drive and the special services. The CYC directors are Mr. and Mrs. Paul Lynn and Mr. and Mrs. Tom Proffitt.

The Federation of Junior Service Clubs is making plans for its annual dinner dance, to be held May 7 at Augustine's in Belleville. Proceeds will be devoted to aid the mentally retarded, and tickets will be sold by members of each club, including the Granite City, Madison and Venice units.

The Collinsville Junior Service club will be hosted club for the next federation meeting.

Jimmy Dittman opened meeting of Den One of St. Mary's Pack 47 Tuesday at the home of Mrs. Louise Papa. The boys continued handicraft work. Games were played and refreshments were served to Walter Coff, John Papa, Donald Buck, David Tenko, James Haverack and Den Chief Anthony Ratkiewicz.

SURPRISE SHOWER FOR TWO HONOREES
A surprise pink and blue shower was given Tuesday evening at the home of Mrs. Eldon Rhoads, 1537 Market street, for two sisters-in-law, Mrs. Frank Bosworth and Mrs. Ben Bosworth. Each surprised guest thought the shower was being given in honor of the other.

Each guest arrived with two packages which were placed on the gift table, decorated for the occasion. Games were played and prizes were awarded to winners. A luncheon was served by the hostesses, and the gifts were opened by the two honored guests.

Those attending were Mrs. Leonard Miller, Mrs. William Gushfield, Mrs. Calvin Bosworth, Mrs. Courtland Bosworth, Mrs. Clifford Sarr, Mrs. Sam Platt, Mrs. Gene Ross, Mrs. Charles Bosworth, Mrs. Fred Plebanek and Mrs. Condra Bosworth.

A monthly meeting of the Madison ladies' city organization was held Monday evening at the Sportsman's club with the president, Mrs. Marie Slavay. Members volunteered to canvass the city for donations for the polo drive Jan. 28.

At the conclusion of the business session, the hostesses, Mrs. Ida Dant, Mrs. Mary Briddick and Mrs. Juanita Brown, served a luncheon to Mesdames Hilda Henderson, Elizabeth Bergthart, Hava, Helen Geroff, Ann Bialsek, Mildred Michaels, Jessie Henderson, Elizabeth Bergthart, Nettie Golewski, Sally Maeras, Hazel Hinson, Mary Maeras, Violet Bader, Julia Voloski, Sally Bosworth and Louise Lewis and a guest, Mrs. Dittich.

The Grade School Band Parents club held a monthly meeting Monday evening in the gymnasium of the junior high school. The president, Mrs. Doris Bevil, presided and plans were completed for a chili supper Feb. 18 at the Madison recreation center. Proceeds will be used for additional uniforms and band instruments. Mrs. William Ashford was named chairman and Mrs. Blatterer co-chairman of the supper.

Members of the band played several selections for the parents. Sandwiches, soft drinks and cake were served to approximately 50 boys and girls, and the coffee was served to 35 adults. The next meeting will be held March 7.

The Wilma Weeks Girls Auxiliary met at Temple Baptist Church Monday afternoon with the counselor, Mrs. Paul Wasly. Linda Bryant, program chairman, introduced the program, "A Cuban Picture Gallery."

Scripture verses were read and the auxiliary hymn was sung by the group. Mary Jackson, vice-president, was in charge of a short business meeting.

Those taking part were Paula Ronney, Charlene McCauley, Judy Sharp, Peggy Jackson, Mary Jackson, Chery Brown, Shirley Dew, Paula Brown, Linda Bryant, Mary Jackson, Peggy Jackson and three visitors.

RC Leading Canned Soft Drink Firm In U.S.

Royal Crown Cola Co., which will open bids tomorrow on construction of a new plant and sales in cans and is taking steps to achieve even greater development and productivity, the Press-Record has learned.

The company's first canning plant was opened in its home city, Columbus, Ga., in June 1954, and eight canning plants currently produce and distribute the firm's products to franchised bottlers. The local plant, located south of the A. O. Smith Corp. on Route 67, will be the ninth.

Plans call for the Quad-City plant to serve bottlers in the Midwest and west coast areas. The other RC canning plants are located in Columbus, Philadelphia, Chicago, Fort Worth, Tex., Billings, Mont., Thulung, and Anaheim, Calif., and Fairbanks, Alaska. There are over 460 bottling plants.

Products of the firm include cans of Royal Crown Cola, Nehi orange drink and Nehi root beer and bottles of Royal Crown Cola, Nehi orange drink and Par-T-Pak ginger ale.

Name Changed In 1959
While the history of the firm dates back 55 years to 1905, it was not known as Royal Crown Cola Co. until a vote by its stockholders at their annual meeting on March 24, 1959. The firm, previously was known as the Nehi Corp. In recommending the name change, President W. H. Glenn said it would enable the firm to be "more closely identified with its leading product" and with its national advertising.

Progress and expansion have been regarded as the keynote of the firm since its founder, Claud A. Hatcher, began experimenting in 1904-05 with a line of carbonated beverages. A pharmacist-chemist, he produced the first bottle of Royal Crown Ginger Ale in a small laboratory at the Hatcher Grocery Co. in Columbus in 1905.

Successful introduction of additional soft drinks followed, and there was ever-widening distribution. Today, the company serves all 50 states, Royal Crown, Europe and Latin America.

Royal Crown Cola was first introduced in 1934 and has become an established part of the American scene. The decision to begin canning operations five and a half years ago followed a

BOARD CHAIRMAN of the Royal Crown Cola Co. is W. H. Glenn, who joined the firm in 1929 and has served as general sales manager and advertising manager and as vice president in charge of sales. A director since 1945, he became executive committee chairman and sales director in 1955 and board chairman in 1956.

careful market study and extensive product preparation.

Vending Machines For Cans
A completely new market was opened with introduction in 1955 of vending machines for the company's canned products within large industries. The self-service machines feature 12-cup throw-away cans of the type to be produced here. RC also has made canned soft drinks available at Army, Navy and Air Force domestic and overseas bases.

Basic of the advertising approach for Royal Crown Cola, published as "the freshest refreshment," is that it has a "fresh difference" from other soft drinks. It is described as having "a bright, sprightly, delightfully less sweet taste all its own, made from fresh, protected concentrate instead of perishable syrup." A new bottle design bearing a double diamond label was introduced in October 1956.

The company reports that it searches the most remote reaches of the world to find the best ingredients for its products. For Royal Crown, it goes to Africa for cola nuts.

Cassia oil is shipped from tropical ports in the Far East. Mexico provides vanilla beans, nutmeg oil comes from the Dutch East Indies, lemon oil from the West Indies and lemon oil from

Savings & Loan Assets Increase By 16%

Assets of the Madison County Federal Savings and Loan Association increased by 16.8% to an all-time high, it was reported at the annual members meeting at the association office Wednesday afternoon.

Past year's officers and three directors were re-elected and a revised charter K was adopted in other action at the meeting. The assets increased \$587,896 to a total of \$4,082,047, according to the report read by A. H. Froelich, executive vice-president. Dividends to savers reached \$120,212, or 15.5% over last year, resulting from the 11.2% increase in savings of \$35,408 to a total of \$3,340,330.

Froelich also reported a rise of \$488,329, or 17% in home mortgages, increasing the home loans held by the institution to

SUPERVISING arrangements for construction of the new Royal Crown Cola Co. plant here is W. T. Miller, vice-president and production manager of the Columbus, Ga., firm. There are eight other canning plants and over 460 franchised bottlers in the United States and foreign countries.

South America and the Pacific coast of the U. S. For the basic flavor of Par-T-Pak and Nehi ginger ale the firm goes to Jamaica for ginger and spices.

The firm's latest annual report lists assets of \$8,806,418. Net income in 1958 was \$1,232,013, with gross profit on sales totaling \$11,220,557.

Increasing Demand
On announcing plans for the local plant, President Glenn said it is "being built to provide increased production facilities due to a continuing increase in the consumer demand for RC and Nehi products."

He has summed up the future of the firm as "bright and promising." "The high standards maintained for our products, the continuing expansion into new markets, the added emphasis upon more effective marketing and advertising of our products and the addition of experienced personnel at the executive level are a part of our plans for continued expansion."

Officers of the firm besides Glenn are: T. H. Stanley, chairman of the board; Edward Norton, chairman of the finance committee; Willis Battle, vice-president and secretary; John Gates, vice-president and treasurer; R. H. Burgess, vice-president and director of marketing; W. E. Uzzell, vice-president and general sales manager; F. E. Gorman, vice-president and advertising manager; W. T. Miller, vice-president and production manager; and W. D. Morgan, assistant treasurer.

Directors are J. D. Box, Glenn, B. H. Hardaway, Norton, C. A. Sears, Stanley, H. Lane Young, William T. Young, Arthur G. Wakeman and Clarence B. Hanson Jr.

GC Steel Employees Credit Union Elects Directors

Directors for Granite City Steel Employees Credit Union were elected during the 19th annual meeting, it was announced today by N. A. Neuenberg, president.

Named for three-year terms as directors were John Zabel and Frank Kunick; and two-year terms, Henry Gantt, Ernest E. Best, Houston and Bill Heath. Herman Bader and Wendell McIlroy were elected to the credit committee.

Bill Williams, treasurer and manager, said in 1959 the credit union assets reached \$3,968,770 and membership exceeded 5000 persons. Loans processed during the year totaled \$4,549,002, the greatest amount in the credit union's history.

Local Man Pleads Innocent To Charge

John Strandberg, 35, of 4037 Melrose avenue, who was taken into custody Tuesday by Granite City police on a complaint filed by the Assistant State's Atty. Burton Bernard, pleaded innocent yesterday before Police Magistrate Casparovic to a charge of illegal disposal of mortgaged property.

Strandberg's bond was set at \$2500 for a hearing on Feb. 3. The complaint listed items such as a compressor, motor and tank, allegedly mortgaged to a bank.

Parents Of Son

Mr. and Mrs. Robert Ronney, 2409 Grand avenue, are announcing the birth of a son Wednesday at St. Elizabeth Hospital. The new arrival weighed seven pounds, 13 ounces and has been named Robert William Ronney II. He has two sisters, Deborah, seven, and Angela, six. Mrs. Ronney is the former Marilyn Francis Epperson, a daughter of Mr. and Mrs. Walter Francis, 2704 State street. Mr. Ronney is a son of Mrs. Jennie Ronney, 2487 Illinois avenue.

Fire In Crane Cab

Sparks, apparently from new dumped also, caused a fire in the cab of a crane at the blast furnace department of Granite City Steel Co. last night. City firemen, who answered the alarm at 10 p.m., said rags at the rear of the crane cab were ignited. No damage was reported.

GC Council Approves Fire House Changes

Construction changes at the city's new fire station were approved Monday night by Granite City council members on the recommendation of the architect firm of Gabriel & Dulgeroff.

The overall changes result in an \$87 reduction in construction cost, with the amounts of the change orders totaling \$663 for additional features and \$750 for reductions.

Henry Gabriel of the architect firm said a \$500 savings would result from a change in paint specifications for application of concrete and \$250 from using a metal overhead door as a substitute for sliding doors which were not available due to the steel strike.

Because of the change in the doors, there was an added cost of

\$170 for rollers and relocation of hot water lines. Also, he said, the telephone company recommended a larger conduit for future expansion, adding \$164, and a relocation of the gas meter on the Iowa street side of the building, was recommended by Illinois Power Co., costing an extra \$84. Installation of recessed lighting fixtures, because of the overhead door, added \$45 to the cost.

Gabriel said it is customary for change orders to adjust construction costs by 5 to 10%. Approval of the change orders was delayed two weeks ago by the council, pending an explanation by the architects.

Six New UPW Circles Hold First Meetings

The first meetings of the new circles of the United Presbyterian Church Women's Association for 1960 were held Tuesday. The Association is divided into seven groups and all circles meet on the third Tuesday of the month except Circle Seven, which meets on the third Thursday.

The Hymn Book of the "Ages" is the new study book which will serve as a guide to the study of the Psalms for the year. "Consider the Church" will be used the first five months as a mission study. Circle One met at the home of Mrs. H. E. Lueders. Brunch was served to 15 members and two guests, Mrs. Glen Rice and Mrs. Virgil Hollis. The meeting opened with the "Year Book of Prayer" and the Bible study by Mrs. E. G. Marshallman. Mrs. William Liernan presented the mission study, and after the session was conducted by the hostess, who is chairman of her circle.

Circle Two was entertained in the home of Mrs. William Ogden, chairman, who presided at the business discussion and read

the news letter. The Bible lesson and Year Book of Prayer were presented by Mrs. George Holtzcher. The mission study book "Consider the Church" will be presented in the form of a panel discussion at the April meeting. The February hostess will be Mrs. Holtzcher. Twelve members were in attendance. The meeting of Mrs. J. C. Byers, Circle Three with 11 members present. A short business session was conducted by the chairman, Mrs. Dan Clendenen, and Mrs. Otto Grosse presented the lesson from the Bible study and "Year Book of Prayer." The mission study was by Mrs. E. E. Vieth and plans were made to meet in February with Mrs. Rex Niles.

Mrs. Milton Allen, chairman, entertained Circle Four. Fifteen members responded to roll call and after the brief business discussion led by Mrs. Allen, Mrs. J. W. Senefelt gave the lesson from the study book and the Bible study. Mrs. Cleo Evans presided at the mission study. Mrs. Harry Lewis will entertain the circle in February.

Mrs. Herbert Dudenbostel, Mrs. Herbert Parker and Mrs. Thomas Thorne were co-hostesses to Circle Five in the church parlors with 20 members, and a guest, Mrs. Bessie Morgan Reese, present. Mrs. Dudenbostel, chairman, led the business discussion and Mrs. R. N. Johnson presided. The mission study was presented by Mrs. John Carrio, Mrs. R. N. Johnson and Mrs. John Lenon.

Circle Six met in the evening with the chairman, Mrs. E. E. Nyboer, who conducted a business session. Mrs. F. L. Boni was a new member enrolled and 11 other members attended. Devotions were given by Mrs. A. T. Smith, and Mrs. Glen Rice had the Bible study. Mrs. William Montgomery gave the mission study and the lesson study. Circle Seven will hold a meeting in the home of Mr. Forrest Browning. Mrs. Jack Malone is the chairman.

Mrs. Edith Holton Is Honoree

Mrs. Carl Nall, 2422 Madison avenue, entertained guests at a surprise luncheon and bridge party Tuesday in honor of the birthday of Mrs. Edith Holton. Those present were Mrs. Karl Nall, Mrs. Edith Holton, Mrs. Edna Edmonds, Mrs. George Coe, Mrs. Elsie Michel, Mrs. Elsie Morrison, Mrs. Mervin Dempster, Mrs. Nora King and the honoree.

The afternoon was spent at cards, following luncheon at 1 o'clock, and a number of prizes were awarded.

McKinley PTA To Stage Variety Show Wednesday

Final plans for a benefit variety show to be held at Central school auditorium Wednesday evening Jan. 27 at 7:30 o'clock, were made at a meeting of the McKinley School PTA Tuesday evening.

Mrs. Doris Buer, co-chairman of the ways and means committee, reviewed the program to be given which will be highlighted by the appearance of "Gentleman Jim Bradley," a St. Louis radio station disc jockey. Other numbers will include talent from the school and entertainment by adult and teen-age groups.

Proceeds from the program will be used to carry out the proposed school projects for the year. Tickets are available from the school pupils at the YMCA lobby desk or at the door. The price is 50 cents for adults and teen-agers and 25 cents for children.

Waldo Sizemore and PTA Area Council President Harry Woods extended an invitation to the forthcoming Parent-Education program to be conducted by recognized authorities in the field of leadership training. The main purpose of the study program is to stimulate interest in local PTA units and to develop higher ideals.

Mrs. Barnes Is Hostess For Club

Mrs. Jean Barnes, 1724 Primrose avenue, had a party for her club, the July 12 Tuesday afternoon, and included two guests, Mrs. Mary Frizzell and Mrs. Margaret Wakefield. A 1 o'clock luncheon was served and prizes in the games went to Mrs. Kathryn Robertson, Mrs. Agnes Gaughan, Mrs. Stanley Greene, Mrs. Wakefield and Mrs. Kathryn Smithson. The next club party will be with Mrs. Greene on Route Four, Edwardsville.

Dorcas Class Hears "A New Year Thought"

"A New Year Thought," given by Mrs. Dena Kampschrader, was the devotional topic at a meeting of the Dorcas Class of the First Baptist Church Tuesday evening.

Held in the church social rooms, Mrs. Kampschrader, president, opened the meeting with the class song and prayer by Mrs. Elsie Sagen.

The stewardship lesson was presented by Miss Anna French and an offering was taken for a member of the church who is ill. This will serve as the January project. Plans were also made by the class to serve the annual banquet for the teachers and officers of the church Feb. 11.

The teacher, Mrs. Ella Signalgo, discussed "Things We Teach" and the meeting was dismissed with the Lord's Prayer.

Missionary Group Meets At Mt. Zion Baptist Church

The Willing Workers Missionary Society of Mt. Zion General Baptist Church, 21st and Benton streets, was held Tuesday evening at the church.

Mrs. Ermye Camren opened the meeting with the Scripture lesson on "Faith and Courage," and Mrs. Shirley Warren and Mrs. Ella Mae Miskelly sang a duet, accompanied by Mrs. Lila Morford.

Mrs. Lila Shannon, Mrs. Magdalene Cole, Mrs. Coleman Sawyer, Mrs. Esther Millons and Mrs. Shirley Warren took part in a panel discussion and a business session was conducted by Mrs. Ella Miskelly, president. The hostesses, Mrs. Lila Shannon and Mrs. Evetta Vilam served refreshments to 15 members and the following guests: Mrs. Sawyer, Mrs. Alice Mitchell, Mrs. Camren, Mrs. Helen Millons and Mrs. Morford.

ATTENDANCE Mrs. and Mrs. Joseph E. Roberts, 2418 Benton street, have returned from a three-day visit in Elkhvill, Ill., with the latter's cousin, Mr. and Mrs. Leslie L. Kimmel. They attended a golden wedding celebration for the Kimmels, a reception at 200 Sunday afternoon, and in the evening were guests with 25 relatives at a dinner in DeSoto, Ill., given by Dr. and Mrs. John Duffy of Rosedale, Ill., the honoree couple's son-in-law and daughter.

Marshall PTA Preparing To Name Officers

The Marshall school PTA met Monday evening in the school gymnasium for a monthly meeting. Jim Hasty, president, presided over a short business meeting and nominations of officers were made.

Alta PTA Council President Harry Warren presided at the leadership training. Purpose of the training is to stimulate interest in PTA groups. A series of leadership training sessions will be held on Saturday, March 12, at the following Saturdays.

Guest speakers were Ray White and Van Puryan, who held a discussion on literature and art. The committee is striving to solicit the cooperation of retail outlets in an attempt to remove indecent reading material from the open market. An invitation was extended to the public to attend the committee's monthly meetings on the first Thursday at Marshall school. A film supplied by the Knights of Columbus was shown.

The banner was won by Miss Tinsack's fourth grade class for the largest attendance. Refreshments were served by mothers of the fourth grade class.

ANNOUNCE MARRIAGE OF DAUGHTER

Mr. and Mrs. Russell Exell, 2525 Center street, are announcing the recent marriage of their daughter, Miss Joyce Exell, to David Pertee, son of Mr. and Mrs. George Pertee, 47 West King avenue, Columbus, O.

The service was read Jan. 15 at the Hartford Church of Christ in Hartford, with the Rev. Herphall Ottwell officiating. The bride wore a ballerina-length gown of nylon tulle with lace motifs and carried a bouquet of red roses. She was attended by her sister, Miss Debra Exell, in pink chiffon with a bouquet of pink rose buds.

Phillip Pertee of Columbus, O., was best man for his brother. A reception was held in the church basement directly after the ceremony.

The bride is a senior at the Granite City high school. Mr. Pertee was discharged from the Army. They plan to reside in Ohio.

Area Police To Attend Traffic Safety Meeting

Granite City Police Chief Raymond Willard, Lt. Paul Moore, Records Clerk Raymond Ridge, Traffic Chief Robert Trower, Venice Capt. Frank DeWitt, Madison Sgt. Emmett Paula and Madison Youth Officer George Ramach will attend a state Division of Traffic Safety meeting at Scott Air Force Base, Belleville, Monday to analyze the local traffic programs and study advantages of participation in the annual traffic inventory program of the National Safety Council.

The meeting will be held at the Officers Club starting at 9 a. m. and addressing the meeting will be Harold Holmes, district director, National Safety Council, and members of the Illinois Division of Traffic Safety.

Fifteen towns and cities in southwestern Illinois have been invited. Sixty-five Illinois cities will participate in the inventory program, including Granite City and Madison, to improve their traffic programs, enforcement, engineering and safety education campaigns.

In calling the meeting, Robert A. Campbell, state safety coordinator, said, "The inventory program is the best yardstick of traffic safety management yet devised for any city or state. It is a free service of the National Safety Council, and has aided hundreds of communities in the nation to develop coordinated, balanced city-wide traffic programs."

Madison Band To Make 2-Day Tour In April

Members of the Madison high school band will tour the facilities of two band instrument companies in Elkhart, Ind., during the course of an overnight trip by bus to northern Illinois and Indiana April 1 and 2.

A request by band director William Ledbetter to make the trip was approved by the Madison school board Tuesday night. Ledbetter said the chartered group also plans to visit the Notre Dame University campus at South Bend, Ind., during the trip. Funds for the tour will be raised by band members.

During its regular meeting, the school board approved for the payment of December salaries totaling \$45,365, including \$36,856 for instruction, \$4,577 for custodial services, \$287 health, \$1,315 clerical work, \$448 attendance officers, \$153 legal services and \$1829 cooks' salaries.

Bills totaling \$84,559, also approved, included \$20,247 in the educational fund, \$872 building fund, \$59,786 building bond issue fund and \$3574 school lunch fund.

The board accepted and placed on file four applications for a clerical position at Blain school and one application for a custodial position at the same school.

Board members and Supt. Wensel Brown will attend a meeting of the Southwestern Division of Illinois School Boards Tuesday night in Belleville.

Mrs. Ethel Weiss, representing a parents' organization known as the "Stars," addressed the board on what her group is a need for a special instruction room for retarded and physically and mentally handicapped children in the Madison school district.

Supt. Brown informed Mrs. Weiss that the small number of children in the district who would qualify for such instruction could not justify the district's establishing such a classroom.

A speech correctionist and social worker are presently employed by the district. Brown said, and mentally retarded children who by tests are classified as educable get special schooling outside the district at the district's expense.

Mrs. Weiss said the organization she represents feels the Madison board of education has the responsibility for the education of such children and will continue to seek such of engagement. The board referred the matter to the state welfare agency, expressing the opinion that responsibility in such cases rests with that group.

Depot To Reduce Work Force By 70 Employees

The assistant secretary of the army has authorized a reduction in force from 70 to 60 employees at the Granite City Engineer Depot. It was announced today.

This reduction in force has been caused by completion of a special inventory of strategic and critical material for the General Services Administration.

Employees affected by the reduction in force will be notified on Feb. 2, with the effective date of layoff on March 6. The type of employees affected are: warehousemen, crane operators, truck drivers, fork lift operators and laborers.

Prospective employees may contact the Civilian Personnel Office at Granite City Engineer Depot, telephone GLenview 2-7300, Extension 380.

Ill. Power Employees Cut Accidents In '59
The safest year in the history of Illinois Power Co. was achieved by employees in 1959, it was announced today at Decatur by Allen Van Wyck president.

There were 40% fewer lost time accidents in 1959 than in 1958, a reduction from 65 to 39. Van Wyck noted in 1958, 513 injuries required the services of 370 last year—a reduction of 28%.

In congratulating employees on their 1959 achievements, Van Wyck called for even greater effort in 1960.

"We want you and your family to be safe on the job, at home in school, and on the streets and highways," he said, "there is never a good reason for an accident."

17TH BIRTHDAY

Mr. and Mrs. Gus Cicio and Miss Meridel Foley entertained Sunday evening with a surprise party honoring Miss Jeanette Cicio on her 17th birthday at the home of Mr. and Mrs. Edward Foley, 601 Washington avenue.

The honoree received many gifts. Recorded music was played for dancing. A decorated cake was cut, and a buffet luncheon was served.

Guests were Misses Janice Crawford, Anita Svezia, Jo Ann Blumenstock, Phyllis Smith, Marie Shambo, Sandra May, Nancy Seagoe, Sandra Ohlendorf, Barbara Koelker and Joyce Maggiano, and Jim Gray, Willis Stover, Clarence Hand, Ronnie Wyatt, Steve Wilcox, Bill Price, Dean Johnson, Woodrow Moad, John Corrie, Randy Bess, Eddie Foley, Jerry Cicio, Bill Hoover and Bonnie Ochoa all of Venice and Ronnie Thurman, Fred Turner, Argil Williams, and Darrell Dickerson, all of Granite City.

The third annual meeting of the GMO Federal Credit Union was held Sunday afternoon at the Venice-Madison American Legion home, with George Manson of East St. Louis, in charge and 50 members in attendance. Speakers were Bill Paris, field representative of the Credit Union League; A. W. Webb, representative of the Cuna Mutual Insurance Society; and C. O. Parker, treasurer of the Nickel Plate Railroad Cleveland Federal Credit Union.

New officers elected were: president, Robert Dehn, Columbus, Ill.; vice-president, James Stien, Webster Groves, Mo.; secretary, Joy Maurer, Venice; treasurer, Stephen Lopez, Venice; and assistant treasurers, Madelon and Mrs. Virginia Lopez, Venice. Named to the credit committee were Joe Hauptman and Dan Lancaster of Granite City and George Sheppard of St. Louis. Those appointed to the supervisory committee were Henry Randall of Granite City, Carl Kettel of Madison and Walter Carter of Belleville.

Explorer Post One met Tuesday evening at the Boy Scout home under the supervision of the advisor, Melvin Hildebrand. Michael Lopez, president, was in charge of the business meeting and appointed Jim Ebersold, Peter Fields and Jerry Carpenter as an activity committee. They will contact the Granite City Steel Co. to arrange a tour of the plant.

Jack Fields, Frank Scaturro and John Koelker were named as a committee to contact local photographers on ways and means of setting up a dayroom for the post. The group will assemble at the scout home Saturday at 2:30 p.m. to cut wood.

Plans were made for an ice skating party at Dunlap Lake, Edwardsville, Jan. 29. Other boys present were Harold Koelker Jr. and Jerry Cicio, who will be welcomed into the post at the next meeting.

Mrs. Kathleen Tadlock was hostess Tuesday evening at a meeting of the AC-8 pinocle club at her home, 1517 St. Clair avenue. Prizes for high scores were awarded to Mrs. Fern Hornberger of Venice and Mrs. Marcella Stier of Granite City.

A three-course luncheon was served, and others present were Mrs. Gladys Scute, Mrs. William Downey, Mrs. Mildred Mehan and Mrs. Ruby Hornberger, all of Granite City, and Mrs. Creola Warnhoff of Venice. Hostess for the next meeting will be Mrs. Warnhoff, who will entertain at the Tadlock residence.

Intermediate Girl Scout Troop 42 met Tuesday afternoon at the Venice high school student building with the leader, Mrs. Nadine Meehan. Following the business meeting, the girls started their current project, weaving of pot holders. Girls present were Linda Pears, Glenda Brown, Shirley Coggins, Cheryl Caudron, Judy Austin, Beverly McCarter, Carolyn Minton and Gloria Corns.

3 Changes Sought In GC Zone Code

Requests for three changes in the city's zoning code for reclassification of residential lots for commercial purposes were presented to the Granite City council Monday night and were referred to the Plan Commission.

Joseph and Mary Cell are seeking a change from R-2 residential classification to C-2 commercial for two lots at the corner of St. Clair and Edgewood avenues; while Robert T. Byrnes is seeking a similar change for two lots at the same intersection in the Glenview subdivision.

Cell said he hopes to construct several structures for businesses such as a confectionery, barber shop and dry cleaner office on his vacant lots. Byrnes home is a relative to open a beauty shop there.

The third request was from Louis Cohen of Cohen's Food market for a change from R-3 residential to C-1 commercial for a lot at 2204 Illinois avenue where he plans to raise a dwelling for additional parking facilities for the food store at West 23rd street and Illinois avenue.

\$2000 Pledged Toward Third Street Building

The Madison Rotary club yesterday pledged \$2000 toward the cost of a building proposed for erection at the Third street and Highland avenue city and school playground and parkway. It was decided to send \$1000 to the Madison city treasury this winter, with two \$500 installments following.

Mayor Stephen Maeras has reported that the city is considering construction of the building. It would include concession facilities, dressing and shower rooms for teams and public restrooms. Cost has been estimated at \$6000 to \$9000.

SURPRISE PARTY

Mr. and Mrs. Bowman Meadows, 2151 Grand avenue, entertained Sunday with a surprise birthday party, honoring her aunt, Mrs. Della Clemens of Madison, at the home of Mrs. Clemens' son-in-law and daughter, Mr. and Mrs. Earl Robertson, 1224 Robin street, Venice. The honoree received many gifts.

A decorated cake centered the table, and other guests served were Mrs. Orville Price and son, Jerry Lee, Mrs. Bertha Hollenbeck and Miss Jerry Spurrier, all of Granite City, Mr. and Mrs. Wesley Clemens and sons, Delbert and Steven, of Madison and John Mike Robertson of Venice.

HOME FROM NAVY

Seaman 1/c Phillip Barr, who has received his discharge from the U. S. Navy arrived home Tuesday from Boston, Mass., and will take up residence with his wife, Joyce, and sons, Phillip Jr. and Jeffrey, of the Venice Homes. He served in the Navy for four years and is the son of Mr. and Mrs. Earl Barr, 200 Granville street.

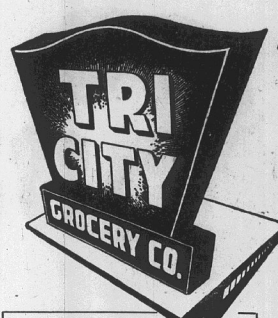

Boy Scout Troop One met

Monday evening at the Boy Scout Home under the supervision of Scoutmaster Harold Koelker. Donnie Mandarino, senior patrol leader, was in charge of the business meeting and Koelker read correspondence from the council office inviting the troop to participate in Boy Scout Week Feb. 7-13. The meeting adjourned to accommodate Sea Post 109 of Granite City, who met at the scout home Monday evening. Other boys present were Johnny Hornberger, Jack Tolliver, Mike Scaggs, Buddy Koelker and two guests from the Webelos, Bob Douglas and Michael McColld.

Mr. and Mrs. Floyd Painter, 121 Granville street, were guests Sunday at the birthday celebration of their grandson, Tommy Lee Kohlitz, at the home of his parents, Mr. and Mrs. Cortland Kohlitz, Caseyville, Ill.

Airman 3/c Jerry Bilbrey, son of Mr. and Mrs. Henry Bilbrey, 137 Broadway, arrived Sunday on a 15-day leave from Vandenberg Air Force Base, Santa Maria, Calif.

BRIDAL SHOWER HONORS

MISS SHARON SNOWDEN

Miss Sharon Snowden, who will become the bride of John St. Ivany later this month, was complimented at a bridal shower given Monday evening by the prospective bridegroom's sister, Mrs. Mary Ann Renzack, his sister-in-law, Mrs. Martha St. Ivany, and the bride's two wedding attendants, Miss Johanna Brzostowski and Mrs. Jane Xbarra.

The pre-wedding party was held in the racketeer of the Reznack home, 2025 Manley avenue, which was decorated for the occasion.

Streams of turquoise and white, colors of the bride's gown, were suspended from a large white wedding veil, creating a canopy effect over the buffet serving table. Other appointments used on the refreshment table conformed to the color scheme.

Many gifts were presented to the bride-to-be and displayed on a gift table centered with a miniature bride figure, flanked with burning tapers in into tall hurricane lanterns. After the packages were opened, games were played for entertainment, with successful contestants receiving prizes. Awards were made by the hostesses to Mrs. Rose Marie Paulkner, Mrs. St. Ivany, Mrs. Helen Hinterser, Mrs. Josephine Vangel, Mrs. Gail Becker and Miss Gladys Rudeout.

Other guests honoring Miss Snowden were Mrs. Anna Karuz, Mrs. Elizabeth Gazo and grandson, Paul, Mrs. Hamner Astorian, Mrs. Naz St. Ivany, Mrs. Marilyn Schaffner, Mrs. Elizabeth Nierpert, Miss Carol Monov, Mrs. Dolly Gaddie and the bride-to-be's mother, Mrs. Wendell Snowden.

Miss Snowden, whose parents, Mr. and Mrs. Wendell Snowden, reside at 2010 Sixth street, East Madison, will be married Jan. 20 at St. Mary's Catholic Church, Madison. The prospective groom is a son of Mr. and Mrs. Bert St. Ivany, 1720 Maple street. He is employed at American Steel Foundries, while his fiancée works at the Granite City Engineer Dept.

Mrs. Twyla McKinney, 1371 Norwood drive, is recuperating at her home following major surgery last week at St. Elizabeth Hospital. She returned home Sunday after being hospitalized for 10 days.

ENLISTMENT TEA FOR CHURCH WOMEN'S SOCIETY

A tea was given on Tuesday afternoon at Emmanuel Baptist Church for new and present members of the Women's Missionary Union in observance of WMU's 75th week, being held at the church this week. Mrs. Wanda Atwood, WMU president, welcomed over 30 ladies who attended.

The tea table was appointed in the WMU colors of lavender and white, with an arrangement of white and lavender chrysanthemums used as the centerpiece. Mrs. Miriam Sheriff, Mrs. Rosemary George and Mrs. Peggy Smith presided at the table.

Mrs. Helen Ham, program chairman, narrated the afternoon's special program, which dealt with the topic, "Witnessing." She introduced the WMU officers, who presented a brief resume of their duties and responsibilities.

Those who participated in the program were Mrs. Atwood, Mrs. Ellen Badgett, Mrs. Peggy Smith, Mrs. Violet Mistler, Mrs. Lucille Crews, Mrs. Harriet Brown, Mrs. Vestus Dostler, Mrs. Nelma Black, Mrs. Estelle Lewis, Mrs. Junita Kaitera, Mrs. Bonnie Harper, Mrs. Betty Castleton and Mrs. Edna Stagner.

Those welcomed as new members following the program were Mrs. Lillian Adams, Mrs. Alice Phillips. WMU members will be recognized at Sunday's morning worship service and will be presented with corsages as a concluding activity of Focus Week.

Man Arrested in Lot, Wheel Taken Off Car

A petty larceny charge was filed by Venice police against John McLeskey, St. Louis, at 5:45 a.m. Wednesday when they caught him trying to fit a tire and wheel onto an auto in a laundry parking lot at 718 Main street. A wheel was missing from the nearby auto of Leon Winters of Missouri.

McLeskey was still in custody Monday, identified as his companion, was released on a bond until a hearing Saturday afternoon charged with disorderly conduct and curfew violation.

Two Quad-Cityans Lose Driving Privileges

Driving privileges were taken away from two Quad-Cityans by Secretary of State Charles F. Carpenter. It was announced today at Springfield.

A revocation was handed down for Noble D. Hall, 1747 Delmar avenue, for reason of driving while intoxicated, and a suspension was given Floyd M. Cobb of Madison because of three offenses.

\$50 House Fire Damage

Fire caused about \$50 damage to a frame home occupied by Lehman Landford at 1817 Collinsville avenue, Madison, shortly after 10 a.m. Tuesday. The blaze was attributed to a faulty blue connection in a living room wall. The building is owned by Roy Whitehead.

CRADLE SHOWER

Mrs. Barbara Adams, 3120 Willow avenue was surprised, by a group of friends with a cradle shower Monday morning in the Adams home. Many gifts were presented, and the morning was spent playing appropriate games.

Successful contestants who received prizes were Mrs. Earlene Mosier, Mrs. Sun Brynary and Mrs. Gladys Crump. The party concluded with refreshments served by group.

Other guests were Miss Janet Harris, Mrs. Jean Harris and sons, Jeff and Mark. Mrs. Addie Lee, Mrs. Jenny McElroy, Mrs. Lee Lee Adams and Mrs. May Coleman. Also present was Mrs. Adams son, Randy.

Traffic Arrest

Nelson Lindsey, 27, of 2806 Emzee street was arrested by Venice police at 6 p.m. Tuesday for careless driving. He was released on \$10 bond until a hearing Saturday.

If there is no phone, explain to sister other means of notifying fire department in case of a fire.

TAX FACTS

Illinois Tax Climate

Release of the latest edition of "The Illinois Tax Climate" was made today by the Taxpayers' Federation of Illinois. Prepared under the direction of T. M. Sullivan, director of State Government Research, the announcement of its release was made by E. W. Emery, President of the Federation and the Chicago Rawhide Manufacturing Company.

This publication revises the 1959 edition which compares the position of Illinois with her neighboring states as to state taxation and its effect in the attraction and expansion of industry and business.

A tax structure that is not burdensome, yet one that provides for essential public services, and a favorable governmental attitude toward business are among the important attractions to prospective, existing and expanding industry, the Federation pointed out.

The publication shows that according to the 1958 report of State Government Finance published by the U. S. Department of Commerce, Illinois ranks 38th in the list of the 48 states in per capita amount of state taxes. Illinois residents paid \$75.79 per capita for this year.

In comparison to adjoining states, Illinois ranks lowest in proportion of personal income going for state taxes. The potential effect is that more disposable personal income accrues to the benefit of merchants and other forms of business in purchasing power.

The tax on sales, motor fuels and motor vehicles provides for 75% of its taxable revenue. With the exception of Iowa and Missouri, its rate of 3% for sales tax compares with other adjoining states. Illinois motor fuel tax of five cents per gallon is lower than other adjoining states.

Sections of the report are devoted to a comparison of income, corporate, general sales, property, inheritance and gift, motor car, and motor vehicle licenses in the various states with numerous graphic and tabular presentations.

Illinois levies no corporate or individual income taxes, nor a tax on property for state purposes. As long as tax legislation in Illinois is based on the concept of a state cannot afford to place straining taxes on business, Illinois will remain "Your Central Location to Serve All the Nation," the Federation concluded.

Circuit Court Cutting Backlog of Cases

A backlog of cases is being whittled down in the Madison county circuit court, it was reported this week by Circuit Clerk Simon Kellerman Jr. During 1959, the court disposed of 1990 law and chancery cases—253 more than the 1465 filed in the same 12-month period. In 1958, 1533 cases were filed, and the dispositions numbered 1544—a "net gain" of but 11.

Kellerman attributed last year's accelerated pace in disposing of cases to four main reasons:

- (1) Docket-calls of old cases where no action had been taken over a long period of time. These cases were set for consultation by the clerk on order of the court. Such cases were either dismissed, ordered set for trial or set for hearing on the motion docket, for immediate disposition.
- (2) Judges continued to maintain an active court, even during the summer months.
- (3) A more active trial schedule for non-jury and jury cases.
- (4) Cooperation by attorneys with the court and the clerk's office in disposing of cases as soon as possible.

Kellerman also pointed out that 68 fewer cases were filed in the circuit court last year than in 1958, "the reason for this being that we have two active city courts in the county (Granite City and Alton) and fewer chancery matters, foreclosures, etc., were filed."

Cases pending in the circuit court at the close of 1959 totaled 1963, including 881 classified as chancery and 1082 in the law category.

Judgments in lawsuits tried before juries last year totaled \$673,342 and represented an average of \$6649, the report listed. In non-jury lawsuits, plaintiffs were awarded an aggregate of \$310,100, the average being \$3200, while judgments in favor of defendants totaled \$3181, and average of \$187.

Low-Water Dam In Budget

The proposed 1960 budget sent to Congress by President Eisenhower Monday includes \$1,500,000 for work on Navigational Dam 27 on the Mississippi River between St. Louis and Alton. The low-water dam is to be constructed near the Chain of Rocks Bridge.

Rebekah Lodge 570 Holds Formal Installation Rites

Mrs. Edith Carpenter officiated as installing officer at a formal installation of new officers of Venice Rebekah Lodge 570 Monday evening at the Venice Odd Fellows hall.

Decorations were in blue and white, with the new officers' names in silver against a background of blue. Baskets of glad- iolias, mums, carnations and ferns were used as floral decorations.

New officers escorted to their stations by the district deputy staff were: noble grand, Mrs. Olga Robinson; vice-grand, Mrs. Nell Montgomery; warden, Mrs. Marie Zeiger; conductor, Mrs. Hazel Broussard; chaplain, Mrs. Altha Davis; right supporter, Mrs. Alice Mitchell; left supporter, Mrs. Martha Watson; recording secretary, Miss Luella McCall; financial secretary, Mrs. Edith Carpenter; treasurer, Mrs. Marge Purcell; inside guardian, Mrs. June Peck; outside guardian, Mrs. Velma Farrance; right supporter to the vice-grand, Mrs. Laura Belle Benson; and left supporter to the vice-grand, Mrs. Martha Morris.

The new noble grand, Mrs. Robinson, was presented with a bouquet of white carnations by her granddaughter, Denise Miller, of Sessor, Ill. She also received gifts from friends and members of the lodge.

Mrs. Bernice McKay was presented with a past grand jewel. The new vice grand, Mrs. Montgomery, was presented with a corsage of white carnations by Donna Faye Broussard.

Following the installation, a dessert luncheon was served to approximately 80 persons by the hostess, Mrs. Marie Zeiger. A discussion was held on installation of officers of Belle Rebekah Lodge 58, District 30, Sessor, which Mrs. Robinson, Mrs. Montgomery, Mrs. June Peck and Mr. and Mrs. Ernest Mitchell attended Jan. 14.

Out-of-town guests at the installation were Mrs. Robinson's daughter, Mrs. Ellamae Mikulic, noble grand of Belle Rebekah Lodge 58, and Mrs. Anetta Williamson, treasurer, both of Sessor.

MRS. FRANKLIN E. PINKSTON, a bride of Saturday, before her marriage on First Baptist Church she was Rosemarie Stojduhar, a daughter of Mr. and Mrs. John Stojduhar, 2149 Cleveland blvd.

45th Wedding Anniversary

The 45th wedding anniversary of Mr. and Mrs. Henry Converse was celebrated at a dinner party in the Converse home, 2874 Washington avenue, last night.

The affair was arranged by the children of the couple and the following were present: Floyd Converse, Farrell Converse, Miss Kay Converse, Steve Pappas, Mr. and Mrs. John Bero, and family, and Miss Joan Fiecken, all of Granite City, Mr. and Mrs. Allen Hettick, Lyle Hettick and sons, of Roxana, Mr. and Mrs. Coy Hettick of White Hall, and Gene Hettick and sons of Palmyra.

Employ only others who have a sense of responsibility and who like children.

RETURNS FROM VACATION IN WEST

Mrs. Stephan Krotetz, 2608 Benton street, has just returned from a six-week vacation in California. While away she attended the wedding in Los Angeles of Miss Alida Konstantinoff, a daughter of former Granite Cityans, Mrs. Joseph Konstantinoff and the late Mr. Konstantinoff.

She was also a guest of other former Granite Cityans, Miss Ann Vukovich, Miss Lorelei Konstantinoff, Dr. and Mrs. Stanley Rokow (Phyllis Wiesman), Mr. and Mrs. George Levchuk (Nevada Popov), all of Los Angeles, and in Santa Clara visited her son-in-law and daughter, Mr. and Mrs. Robert Musante, and their family.

Other visits were paid to Mr. and Mrs. Fred Bailey (Marjorie Hazlett), and at the Lick Observatory on Mt. Hamilton at San Jose she was entertained in the home of Mr. and Mrs.

TROOP 99 GIRL SCOUTS LEARNING FOLK DANCES

Girl Scout Troop 99 met Monday at Neurngnaus school with the leader, Mrs. Bertie Weiss, and co-leader, Mrs. Shirley Rapoff. The girls are now working on their first-class badge and are learning to folk dance. Plans are being made to start working on metal trays as a project.

Those taking part were Mary Ellen Weiss, Donna Rapoff, Nancy Schmiedke, Wendy Friedman, Linda Sabol, Barbara Gann, Linda Penrod, Linda Kutosky, Phyllis Martin, Debbie Harris and Norma Throne. Each girl was presented with a treat.

Dwight Ludden, who sent warm regards to friends here where Mr. Ludden taught in the high school, Mr. Krotetz joined his family for the Christmas holidays, a part of which were spent at the home of Dr. Leslie Musante in San Rafael.

Mrs. Ryckman Honored By B&PW Club Last Night

Mrs. Pearl Ryckman was named "Member of the Month" by the Quad-City Business and Professional Women's Club last night for her tireless efforts in promoting the interests of women in activities of the club.

She has been a member of the Business and Professional Women's Club for 29 years and served as president for two terms in 1931 and again in 1945. She has held various other offices in the club and has served on a number of committees. She is also chairman of District Nine, is active in the work of St. Elizabeth Hospital Auxiliary and is a board member and former president of the latter organization.

Mrs. Ryckman, who is now retired, resides at 2820 Madison avenue, with her husband, John Ryckman. She has one daughter, Mrs. Joseph Rousseau, and four grandchildren who reside in Belleville.

The meeting of the club held at the YMCA with Mrs. Marie Hampton, health and safety chairman, in charge of the program. A corsage was presented to the honor guest by Mrs. Dolores Alton, president, who also presented the certificate of recognition. Mrs. Jean Holder read the club collect.

The program for the evening consisted of novelty and tap dances by pupils of a local dance studio with Janice Ray, Cathy Marie Hampton, Gail Ann Morris, Cheryl Brinkmeyer and Joyce Whittle participating, and a talk by Greg Brown, treasurer of Independent Oil Co., who also presented safety film on "Power Under The Hood."

Twenty-five members were present and the following guests: Mrs. Connie Stevens, Mrs. Charlotte Robbins and Mrs. Gayla Robertson.

Announcement was made of a meeting of District Nine to be held at Hotel Stratford in Alton March 27.

ARF Installs New Member

Anahid Chapter of the Armenian Relief Society held a business meeting last night at the AYF Club rooms.

The president, Dorothy Avedian, installed one new member, Mrs. Arina Shrikian, and the program on "The Armenian Church" was given by Miss Rose Safarian, program chairman.

After the meeting, time was spent making cancer dressings, and refreshments were served to 14 members by the hostess, Mrs. Ann Markarian.

HONOREE AT STORK SHOWER

Mrs. Ruth Maynard was guest of honor Tuesday evening at a stork shower given by friends at the Pentecostal Assembly, East 24th street and Bromley avenue.

Two-fifths were present and games were enjoyed by the group with prizes going to Mrs. Shirley Rainwater, Mrs. Ruby Wunsch, Mrs. Grace Robinson and Miss Becky Maynard.

ASSOCIATION WILL MEET

The Granite City Association for Aid to Retarded Children will hold a monthly meeting at 7:30 p.m. Monday, Jan. 25, at St. John United Church of Christ on Nameoki road.

16 Kiwanians Attend Inspirational Meeting

Sixteen members of the Granite City Kiwanis club attended a Division 14 inspirational meeting at the new educational building of the Collinsville Methodist Church last night, and heard District Gov. Emmett Cleary of Chicago speak on Kiwanis objectives for 1960.

The meeting was attended by 175 Kiwanians from southern Illinois, representing 15 clubs. The Granite City group had the largest representation at the meeting with the exception of the host Collinsville group.

Host for the meeting was Ben Thompson of Collinsville, the incoming district lieutenant governor of Kiwanis clubs in this area.

Traffic Light Mishap

The school traffic light area on Broadway near Robin street, Venice, was the scene of a collision at 7:50 a.m. today damaging the right front of the auto of Earl Marks, 1629 Cleveland blvd., and the left rear fender of the car of Bernard Golden, 1728 Venice avenue.

New Curriculum To Be Topic Of Jr. High PTA

The executive board of the Granite City Junior High School Parent-Teacher Association met Monday for a planning session Monday evening at the Coolidge junior high library, with Charles Jungels, president, in charge. Ray Henley, program chairman, announced that Assistant Superintendent Russell D. Johnson will speak at the monthly PTA meeting next Monday evening.

Johnson's topic will deal with the new curriculum program to be instituted in the 7th, 8th and 9th grades next fall. Henley reported that the assistant superintendent has suggested that the junior high PTA unit invite sixth grade parents to participate in the meeting, as their children will enter the seventh grade in September, and will be directly concerned with the initiation of the new program.

Preceding the educational program at Monday's meeting, the Optimist Boys' Choir will present several choral selections, beginning promptly at 7:30 p.m. under the direction of Warren Simpkins. The remainder of the executive session was spent discussing other business.

DAV AUXILIARY HOLDS MEETING

Newly-elected officers were in charge last night at a meeting of the DAV Auxiliary and Mrs. Irene Nienhaus, commander, presided.

Plans were made for a Valentine's dance at the hall Feb. 13 and for a trip to the Madison County Sanatorium in Edwardsville in the near future. Refreshments were served to 12 members.

Local Nurses Attend Meeting

A number of local nurses were in Swansea on Monday evening to attend a meeting of the Occupational Health Section of the Tenth District, Illinois Nurses Association, at the St. Clair County civil defense headquarters.

Highlighting the meeting was a lecture by Lawrence Miller, St. Clair county director of civilian defense, who spoke on the need for Civil Defense. A tour of the center was made by the group and all were urged to attend a meeting on civil defense at the Granite City high school, Jan. 31.

Local nurses attending were Mrs. Ada Thomas, American Steel Foundries; Mrs. Janet Boyd, Granite City Steel Co.; and Mrs. Maxine Skinner, Laclede Steel.

Will hold installation The Pythian Sisters, Cascade Temple 216, will hold a public installation of officers at 8 o'clock Friday evening at the 1007 hall.

GC Junior Service Club Planning Spring Activities

Twenty-one members of the Granite City Junior Service Club attended a monthly meeting Monday evening in the Fellowship hall of St. John United Church of Christ conducted by Miss Flora Mae Lensing, president.

Lengthy discussions were held on a number of projects for the early spring, including the Easter Seal drive, the home tour to take place in March and the annual Junior Federation dinner-dance scheduled for May 7 at the Augustines in Belleville. The proceeds from the latter event will go toward work for retarded children.

The club will also take part in the Heart fund drive, and two events tentatively discussed for the fall were the Sample Fair and the Flea Market.

The members will resume volunteer work at St. Elizabeth hospital in the near future, and an announcement was made of a meeting to be held at the hospital Saturday from two to four o'clock in the afternoon with Mrs. Patricia Schmidt, director of nurses, in charge.

Miss Olga Danne was named chairman of the home tour committee. She will be assisted by Miss Grace Castello, Mrs. Charlotte Rapp, Mrs. Thelma Jacobsmeyer, Mrs. Mary Blankenship, Mrs. Betty Davis and Mrs. Evelyn Morris.

Mrs. Eva Burris and Mrs. Bernice Fitzpatrick were hostesses and Miss Virginia Judd was winner of the prize for the evening, a homemade article brought by Mrs. Jacobsmeyer.

Warriors Host Kahoks, Redbirds This Weekend In Conference Games

This is "do-or-die" weekend for Granite City's basketball team, as far as winning the Southwestern Conference title is concerned. The second-place Warriors will play host to league-leader Collinsville Friday and third-place Alton Saturday, although the latter could be tied for second if it beats East St. Louis tonight.

Friday's opponent, top-ranked Collinsville, is undefeated both in conference play, with a 6-0 slate, and for the season with 14 straight victories. One of those wins was a 74-55 defeat of Granite City at Collinsville on Dec. 11.

But in fairness to the local team, now riding a respectable 13-3 mark in season's play and 4-1 in the conference, the first game between the two teams was played in enemy territory when the Warriors were in an early season slump. They came around after the Collinsville loss to win 11 of the next 13 games, which included three wins in the tough Centralia holiday tournament.

Kahoks Improved
But the Kahoks, coached by Virgil Fletcher, also are improved with game experience and the addition of two players, Jerry Helmich, who was out in the first half of the season because of a football injury, and Bob Simpson, a transfer from Madison who became eligible after the Granite City game.

Granite City PRESS-RECORD

Page 26 Thurs., Jan. 21, 1960

Against common opponents in the conference, Collinsville has been outscored by the Warriors, 270-258, but the Kahoks have been much tougher on defense, allowing only 186 points while Granite City has allowed 241 points to the same teams. The average margin of victory for the four common opponents has been 18 a game for Collinsville and seven for Granite City.

Alton could come into Saturday's game with the Warriors in second place, if the Redbirds defeat the Flyers tonight and Granite City loses to Collinsville Friday. Alton would have a 4-1 conference slate compared to a 4-2 mark for the Warriors.

Granite City lost to Alton in a non-conference game in the Dupo tournament last week 69-61, but the Warriors shot only 32%, compared to 42% for the Redbirds, and committed 28 fouls when the winners had only 15 called against them.

"We Can Win"
"I'm sure we can beat this team (Alton)," Warrior Coach Andy Sullivan said after the game. "When you shoot as bad as we did and make as many fouls and still only get beat by eight points, then I would say we have a good chance of winning the next one."

"If we could have two good games against Collinsville and Alton, we could be very much in the running for the conference championship."

Should the Warriors survive this weekend's tough games, they would still have to beat Belleville, Edwardsville and Wood River, all teams capable of pulling an upset. Granite City defeated Belleville and Wood River in only two points each in their first meetings.

Williams Top Scorer

Rich Williams leads the Warriors in scoring with 276 points for the season and an average of 17.2 a game. Bob Price, who has led the team in scoring in the last three games, has moved into the second spot with 225 points and an average of 14.

Cahokia Tests Madison In MWC Tilt Saturday; Young In Last Prep Game

Madison tackles its third Midwest Conference opponent in eight days Saturday night when Charles "Buddy" Mueller's Trojans meet the vastly improved Comanches in the Cahokia Com field's gym at 8.

Earl Lee's squad, out of conference action for the better part of two weeks but keeping busy in the Shelbyville Invitational tournament, tripped Roxana 54-51 back on Jan. 8, and appears to be headed for its best season in three years.

The Comanches lost their conference opener to Madison, 57-75 and bowed to powerful Dupo, but evened things out at 52-51 in the MWC with the upset of Roxana and a win over Highland.

Lee's charges also are at 400 for the season, pending results at Shelbyville, with a 7-7 slate.

Phale For Young

Cahokia will be the last squad to get a look at Madison's Jake Young and, together with the four other Midwest opponents, should breathe a sigh of relief when the Trojan forward has hung up his jersey.

Young and it is official this time! rears his 19th birthday next Monday. He and Ed Walker, Madison's outside-inside scorer, combined in 13 games, scored 43 points between them when the Comanches visited Hultstom on Dec. 15 of last year.

One new face will probably be in Lee's opening lineup in the "time" rears his 19th birthday next Monday. He and Ed Walker, Madison's outside-inside scorer, combined in 13 games, scored 43 points between them when the Comanches visited Hultstom on Dec. 15 of last year.

Walker can expect to face 6-6 Jim Odom at the post, while the person of sophomore forward looks like 6-0 Ed Davis. Charlie Webb, the scoring leader for Lee in his three games, is paired with playmaker (6-1) Don Kifer at the guards.

Smith Improved

Lemon Smith, who had improved by leaps and bounds since the season opened, will add rebounding strength and scoring potential to the Big Green's front line, while Mueller has steady Frank Hilde at one of the guard positions and, on which George Griggs at the other.

Teachers Upset Exterminators 94-93 In Overtime; Spengler Grabs Lead

Modern Exterminators became upset victims for the second straight week Monday night in park district classic basketball league action. The Teachers, winners in five previous starts, turned the trick with a 94-93 overtime victory.

The Teachers were a costly one for the Exterminators, who were sailing along in first place two weeks ago, but now find themselves in the runner-up spot following Spengler Oil's 69-53 triumph over Friedman's of Madison in Monday's other classic encounter.

The Teachers had their big guns primed and ready for the Exterminators. Bob Miller upped his average to 31.8 points a game, tops in the league, by pouring in 40 points for the winners. Bill Terrell hit exactly 10 points above his season's average with 32 markers.

Bob Page led the Exterminators with 28 and Dave Hrysko added 24. The Teachers led at halftime 49-42 and widened the third quarter gap to 71-62 by the time the third quarter had ended.

Modern came back to outscore the eventual winners 19-10 in the final period and deadlock the score at 81-81 at the end of regulation playing time. Both teams hit extremely well in the overtime period, but a 13-12 Teacher edge proved the difference.

Spengler Oil parlayed a 22-point second quarter into a win over Friedman's and at least a temporary home. Outscored 15-10 in the first eight minutes, Spengler held Friedman's to only nine points in the second quarter and left the floor leading 32-24 at half-time.

Friedman's cut into the lead slightly in the third quarter, but Spengler Oil displayed the necessary staying power in the last period.

Norman Martinez led Spengler Oil with 31 points, while Don Williams netted 20 and Charles Johannmeier 17 for Friedman's. Spengler Oil is now 5-1, and the Exterminators 4-2.

Pvt. Kaminski Taking Part In Maneuvers

Army Pvt. David W. Kaminski, son of Mr. and Mrs. Walter Kaminski, 901 Grand avenue, Madison, is participating in a six-week field training exercise with the 3rd Armored Division in Grafenwohr, Germany. The exercise is scheduled to be completed Feb. 10.

The training, which will be followed by a mock war pitting armored, artillery, aircraft and infantry units against realistic aggressor forces, is designed to test the combat readiness of the 3rd Armored Division, a major part of the NATO shield of defense in Europe.

Kaminski, a rifleman in Company C of the division's 49th Infantry, entered the Army in January 1958, received basic training at Fort Hood, Tex., and arrived overseas the following July.

The 23-year-old soldier attended Madison high school.

Robert L. Ferrell Leaves For Alaskan Base

Army Specialist Four Robert L. Ferrell, whose wife, Peggy, lives at 1006 Market street, Madison, departed from Fort Lewis, Wash., recently for Alaska, to participate with other 4th Infantry Division personnel in Exercise Little Bear.

Prior to the actual maneuver, Ferrell is scheduled to run from the guard positions and, on which George Griggs at the other.

Chirga has been the better scorer in games of late, but Mueller feels that Georff can bounce back from the effects of a mid-season slump.

He's actually trying so hard that he's playing worse," Mueller coach said of Georff, who had a 10-point average through his first eight games.

No other Midwest Conference games are on tap this weekend. The Warriors will play the Cahokia scrap with five straight outings against non-conference opponents, including the undefeated Collinsville Kahoks.

minors and the police are checking the businesses to make sure that the law is followed, the chief said.

No charges have been filed against taverns in connection with the recent cases, and it was determined that at least one of the youths had two different ages listed in his identification cards, one showing him to be a minor and the other indicating he was over 21, the chief reported.

The taverns have been instructed that they must not sell or serve alcoholic beverages to minors.

Lincoln Travels To Cairo Saturday To Resume Regular Season Play

Fresh from overpowering all foes in the Westin Invitational Tournament, Lincoln of Venice will have all week to rest and prepare for Saturday's road game with Sumner of Cairo.

It will be one of three final away games for the Rams this year. Six of the remaining nine games will be played on home grounds.

The Rams, unhappy that their once-proud record of 6-1 was changed to 3-4 because of unintentional use of an ineligible player, pounded three opponents into the floor in the New Baden tourney, allowing an average of only 46 points while scoring at a 68-a-game pace.

Counting points scored in the three forfeited games, Robert Davis continues to lead the team in scoring, although he has slipped slightly since the Christmas holidays. He has 164 points and an average of 15.4, but the six-foot sophomore is being pressed by a classmate, Robert Davis, who has scored 83 points in the last five games to boost his total to 159 and a 15.9 average.

The other three members of the first five also are averaging

Coolidge Wrestlers Pin Wood River With 43-8 Defeat In Last Match

Coolidge's wrestling team finished an undefeated season by topping Wood River here Monday afternoon 43-8 with the help of four forfeits. The victory ran the Braves' undefeated string to 22 over a three-year period. This year's record was 8-0.

Sam Fazio stretched his record to 11-0 for the season as his last win came on a forfeit. Only once all season has the mid-term graduate not pinned his opponent, and that was in the Granite City frosh-soph tournament last Saturday. He won his weight class but had to take one bout via a decision while pinning two other opponents.

Fazio led the team for the 1959-60 season with 55 points. He was followed by three other wrestlers, Larry Reynolds, George Evangelouf and Bill Ritchie, with 43 team points apiece. All three were undefeated in dual meet bouts, as

Sterns, Gary Reis and Mike Fry. Second row, George Makler, Robin Bowers, Frank Maxfield, Charles McMillan, Robert Decker, Steve Cuvy, Jack McKeen, Danny King, John Love and Ed Tinker. Top row, Ed Rustio, Jim Sumner, Richard Hold, Rex Wagner, Terry Young, David Holt, Robert Halderman, Pete Teagle and Gary Kelly.

Roca Rally Nips Spartans, 45-41 In YMCA Action

Held to only 10 points in the entire first half, Roca Club rimmed 35 in the final two periods to upset the Spartans 45-41 in a YMCA Teenage league basketball game Monday night.

The Spartans ran into a cold break of their own in the second half, managing just 11 points after 12 and 18-point quarters in the first half of play. Ron Ruppel netted 24 points for the losers, 18 of them in the first two periods, while Jim McKeen popped in 20 for Roca Club, 18 in the last half. Bob Summers had seven field goals and 14 points for Roca.

The Firebells increased their lead over the Spartans to 19 games with a forfeit win over Madison, and the Jayhawks were awarded a forfeit decision over the Night Owls.

Miss Polley Is Central Annual Queen Candidate

Miss Terry Susan Polley, daughter of Mr. and Mrs. Richard A. Polley of 2531 Pontoon road, is one of seven candidates for Central College, Fayette, Mo., chosen as a candidate for the titles of "Queen of Glamour" and "Queen of Beauty" by the staff of the college annual, the Ragout.

She is a freshman physical education major at the Missouri college, a cheerleader and was a candidate for freshman homecoming attendant.

Selection of the two titlists, whose portraits will appear in full-page size in the annual, will be made Friday in St. Louis by the staff of the Patricia Stevens model agency.

1959 Income Tax Assistance On Friday

Fridays have been set aside as "taxpayer assistance day" at the Internal Revenue Service office here, 1925 Edison avenue. The assistance day will be continued each Friday through April 15, the deadline for filing 1959 income tax returns.

Agents at the local office said most questions for filling out the 1959 forms can be handled by telephone, thus saving taxpayers of the Quad-Cities the inconvenience of traveling to the revenue office and waiting in line.

Coolidge Students Honored Transfer Last January Class

Honor awards were presented to 17 students yesterday at Coolidge junior high school in an assembly honoring members of the final mid-year class. The 73 top freshmen will transfer to Granite City high school next Monday.

The class was the last to begin its schooling in the Granite City district at mid-term. It will be one of three January classes remaining in the school system after the January 1960 class graduates from the high school Monday evening.

With the transfer, Coolidge junior high school no longer will have split classes in the eighth and ninth grades. Next fall, Coolidge for the first time will have seventh, eighth and ninth graders, but all will be in groups that began school in September and all will be June high school graduates.

Holiday Pay For GC Police, Firemen

Holiday pay in the amounts of \$563 for policemen and \$535 for firemen was approved Monday night by Granite City council members.

The payments, amounting to additional overtime pay for the Christmas and New Year Day holidays, went to 26 policemen and 22 firemen for working on Christmas and to 27 policemen and 23 firemen for New Year's Day.

It was paid on an hourly rate, in addition to regular pay, at a rate of half the time put in by the city employees. Police officers, working eight hours, were paid extra for four hours; and firemen, depending on their shifts, worked 7 or 17 hours on the holidays.

Cola Firm's Decision Spotlights This Area's Prime Sites For All Types Of Industry

Facts released but not borne out by events tend to acquire a hollow ring. It has often been said that the Quad-City community is one of the best industrial areas in the nation in terms of varied transportation, strategic geographic location and available raw materials and manufactured products. The statement is true, and fortunately there has been enough recognition of its soundness that it is becoming widely accepted.

Particularly heartwarming are the views of W. H. Glenn, president of the Royal Crown Cola Co., newest industry to announce plans to locate here. In discussing the decision to establish a combined canning plant and flavor ingredient manufacturing center, the president paid tribute to the presence of allied industries in the Quad-Cities and adjacent sections of the metropolitan area, the ideal location for serving distributors and bottlers in the Midwest and west coast, the convenient transportation facilities and the helpful interest and cooperation of local business leaders.

Several factors in the announcement are of prime interest in addition to the glad tidings represented by construction of a new plant and the glowing appraisal of the Quad-Cities' value as a site for new industries.

First, the selection of a 48-acre tract south of the A. O. Smith Corp. bears out the belief that the community has an industrial district of great potential in the large strip of land between the currently built-up area and the chain of Rock Island and Mississippi rivers.

Second, the size of the land purchased by Royal Crown Cola hints that other users are being considered aside from the 40,000-square-foot modern plant building to be erected there. Whether such use would be by the company itself or by other firms leasing portions of the tract does not change the fact that a large tract has been bought by industry. It will be to that industry's advantage to make full use of the land it has acquired.

Third, the announcement indicates that the new plant will become a customer of at least two local industries, obtaining flavor ingredients from the Union

Starch and Refining Co. and steel for its canning operations from Granite City Steel Co.

Fourth, the new industry will maintain and enlarge the Quad-Cities' careful blending of industrial diversification and interdependence. In canning soft drinks and also manufacturing ingredients to be utilized by bottlers elsewhere, Royal Crown Cola will conduct a manufacturing operation entirely new to the Quad-Cities, bringing all the advantages of diversification.

At the same time, it will do business with other local firms, similar to the mutually rewarding relationship between A. O. Smith and Granite City Steel. Such examples of basic industries attracting related firms solidify the markets of all the affected companies.

For many reasons, Royal Crown Cola is a welcome addition to the local industrial family. For those same reasons, it is not expected to be the newest plant for long; announcements of still newer additions are likely in the near future.

Civic Award Winners Contributed Much To Present Prosperity Of This Area

Because Granite City Steel Co. is the largest industry in the Quad-Cities, its officers and union officials bear a responsibility to the community in addition to their basic responsibilities to stockholders and employees.

Selection of the United Steelworkers of America and Granite City Steel Co. as joint recipients of the 1959 Civic Award recognizes that both kept the interests of the Quad-City community foremost during contract negotiations last year. The result was that the steel mill remained in operation throughout the year.

About \$10,000,000 in payrolls would have been lost if the plant had become involved in the 116-day nationwide steel strike. Maintenance of production at a high level spurred the economy of the entire area, making a major contribution to the prosperity prevalent here following the 1958 recession.

First phase of the "fine statesmanship" cited by the Associated Retailers' Civic Award Committee was the agreement to continue in operation in July as the work stoppage began elsewhere. The contract settlement in October not only assured that there would be no strike here, but also was one of the first breakthroughs in the talks between steel industry officials and Steelworkers President David J. McDonald, serving as a forerunner of the general agreement that avoided resumption of the national strike this month.

The 3500 United Steelworkers at Granite City Steel, the leaders of their union and the owners and management of the plant share the community's appreciation for their foresightedness, as well as sharing the 11th annual Civic Award for "outstanding community service."

Era Nearing End As Motorcycles Replace Mounted Police Units

To old-timers who still remember the admonition to "get a horse" when products of the upstart automobile industry proved balky, it may come as a shock to learn that an era is just about at its end.

Horses are still in evidence at race tracks, in western movies, television series, rodeos and horse shows, but their use in pulling fire and milk wagons has halted and only six cities still use them in police work. Just as motor cars replaced horse-drawn buggies years ago, motorcycle officers have taken the place of mounted police except in New York, Philadelphia, Washington, Cleveland, Miami and Detroit—the "motor city" that started "old Dobbin" down the road toward oblivion.

Equines probably will always be popular for ceremonial and sports events and as pets and hobbies, but the changing emphasis on their use is enough to bring a nostalgic tear to the eye. The sleek mechanical contraptions of today lack the ability to return their master's affection, and cars certainly cannot be trusted to find their way home without guidance on moonlit summer evenings.

The FORUM

Suggests Alderman Basarich Think For Himself

To the Forum, Granite City Press-Record: Sir—

Permit me please to reply to the letter by Alderman Basarich in Monday's issue. It is not my intention to lecture Mr. Basarich on democracy but a few questions may be in order. Doesn't Mr. Basarich know that democracy is dynamic? If it would be not, it would become stagnant like a puddle of rainwater in the street. Did it ever occur to him that there is such thing as cause and effect? The effect will follow the cause. Cause of the American Revolution was too high taxation by the British. The effect of the exceptional high taxation was the revolution and the consequent establishment of our democracy or better still republican government. By the same token it should be obvious to him that the cause of the establishment of the "Civic League" where has Mr. Basarich been? Did he have his head stuck in the sand like an ostrich? The people in the Fifth ward hardly know there are two aldermen in the Fifth ward. Did he ever propose anything in the city council that was a product of his own creative political thinking? Let's be frank about this. All the people hear from him sometimes is "peep" or "second the motion." It is my understanding and I think I understand the people of Lincoln Place better than he does, that his constituents want a man to represent them and not someone who depends entirely on his omnipotent publisher. Those constituents believe in cooperation between two aldermen but all they see is that the alderman is the "only" and the other one is the "other." People resent this. Alderman Basarich ought to be those things. If he is all for this expensive overhauling of the paved Cayuga street, why couldn't he be repaired by pouring hot asphalt into the cracks? Is the political expediency for him? But when his constituents get stuck with the result of his clinders of a street right behind Alderman Basarich's backyard, (1800 block of Spruce), then the people begin to wonder if their alderman is a man or a mouse. As to my writing, rest or not, is none of any alderman's concern, because I am not the least in doubt about the meaning of his reference to this effect in his letter. I shall continue to comment on anything else I read in my two newspapers, from the United States government on down to puppet shows in the city of Granite City. I have no more intention to run Granite City's government than I have to run the United States government. That is not only my privilege but fellow citizens, not so fortunate in expressing themselves literally, I shall not hesitate to express their feelings for them. That to my mind, (to use or borrow a phrase from Mr. Basarich) is democracy in action.

I hope, and I believe many of Mr. Basarich's constituents share this hope, that Mr. Basarich in the future employs his creative political thinking in the city council meetings as he employed his literary skill in his letter. Nobody would be pleased more than this writer. He likes guts, but for yeasmen he has only contempt. Thank you. JOSEPH KELENHOFF.

OPPOSES FLUORIDATION OF WATER SUPPLY

2832 Fortune drive, Granite City, Illinois, Granite City Press-Record, Granite City, Illinois: Dear Editor—

I would like at this time to take the opportunity to express my feeling on your fine newspaper. To me it is one of the finest in this area, including those in our neighboring big city across the river. However, I do not agree whole heartedly on your recent editorial in favor of fluoridation. I would like to point out a few facts that I have come across in recent weeks and also my personal opinion regarding this subject. First of all, as we all know, sodium fluoride is a waste product of the aluminum companies and until recent years was one of the most difficult waste products to dispose of, that is until someone got the brilliant idea to add it to the water supply to prevent tooth decay. This of course was a big boom to the aluminum companies. Also, I would like to question the authority of any city council, board of aldermen and etc., who has the power to place mass medication on any of its residents. This is a violation of our Constitution. The promoters of this fluoridation plan state as their objective, the fact that the addition of sodium fluoride to the water supply helps build strong teeth in our children, but what they don't say is what it will do to older people, especially those who suffer from diabetes and arthritis. It has been proven that sodium fluoride builds up in the body and is not used up. Due to the fact that there is no control on the amount of water consumed by any one individual, many will receive too much

fluoride which may be harmful to them in later life. You stated in your editorial that some of the surrounding communities and also the city of St. Louis has adopted this fluoridation program. However, to my knowledge there has been no report issued as to its effects, even though it has been in existence in St. Louis for approximately four years. You also failed to mention anything about the residents of St. Louis County who have banded together and temporarily halted the addition of this poison to their water supply, basing their actions on some of the above mentioned facts and many more too numerous to mention at this time.

I am glad that the city council of Granite City previously voted this measure down and only hope that their decision remains the same in any future attempts to promote artificial fluoridation of our public water supply. E. L. PYTLINSKI.

RELIGIOUS HAVE RIGHT TO ADVERTISE

Editor of the Forum, Granite City Press-Record, Granite City, Ill.: Dear Sir,

It might interest "Local Resident" (re: Unable to Understand Religious Advertisement) to know that the box ad on the Jan. 7, front page issue, was just as he put it "fads." Any one could tell that. I read the ad and took it for what it was worth, and since Holy Name Society is a Catholic Organization, why should I not their advertisement for their own religion?

UNPREJUDICED RESIDENT NORTH GRANITE RESIDENTS WANT SEWERS

Granite City Press-Record, Granite City, Ill.: Dear Editor—

I'd like for this letter to be published. I've noticed in the paper that in other parts of the city, new additions that is, the city or whoever is responsible in planning to have sewers put in. Now I wonder why Circle Drive known as North Granite has never had this service even

CAN LEAVE

Indians are not obligated to stay on reservations, but they usually prefer to stay because the reserved land is tax-free. They are at complete liberty to leave and return whenever they choose.

Times do change—it's alarming the different methods modern day children use in bringing up their parents.

Though the property owners say they do pay taxes for sanitation services that they do not receive, who's to blame for this? As a new owner I for one would like to know what can be done to cause this part of the All-American City to look and be the part.

If any one of or all the city council wishes to reply I'd appreciate it highly. Mr. & Mrs. Charles Davis, 2528 Circle drive, Granite City, Ill.

Youngster Takes Pills, Stomach Is Pumped

Kathleen Paschedag, two-year-old daughter of Mr. and Mrs. Charles Paschedag, 4149 Division street, swallowed an unknown amount of medicine pills Monday afternoon and was taken to St. Elizabeth Hospital where she had her stomach pumped.

She climbed up on the kitchen sink and found the pills in a cabinet while her mother was in another room with a smaller child who was crying.

In another emergency case Monday, Mark Lerch, nine-year-old son of Mr. and Mrs. Wm. Lerch, 2208 Edwards street, received six sutures for a cut over his right eye after he fell on the Webster school playground.

More City Funds In Red— Waiting For '58 Tax Payment

Granite City's general fund income amounted to only \$772,000 during December, resulting in two other accounts going into the red, according to the Dec. 31 financial report accepted by the council Monday night.

However, the city is expecting a tax payment of about \$80,000 from the county treasurer's office in the near future as a result of the settlement of the tax assessment-rate objections for 1958 filed by Granite City Steel Co.

Comptroller John Doher said most of the \$80,000 will go to excess commissions, \$11,637 and \$63,213.

The special fund account showed disbursements of \$225,877 for the eight-month period and a \$50,326 balance on Dec. 31. Three of the accounts were in the red on Dec. 31, an increase of one from November. They were—Municipal retirement with a deficit of \$2,352; civil defense, \$3730; and maintenance of sewers, \$36,214.

A breakdown of the special fund accounts, showing total disbursements and the Dec. 31 balance in the red, follows:

Working cash, none and \$198,187; parking meters, \$26,430 and \$33,437; sales tax, \$192,027 and \$151,525 transfer to the fire department and a balance of \$174,028; police pension, \$20,027 and \$26,921; firemen pension, \$25,585 and \$19,933; public library, \$33,629 and \$35,590; aerial street maintenance, \$49,175 and 11 cents; unclaimed rebate, none and \$6472; street extension, \$10,000 and \$850; Monroe street sidewalk paving, none and \$56; Edwardsville road side walk paving, none and \$283; motor fuel tax paving sections, \$12,600 and \$35,868.

6009 In County Receive Public Aid

A total of 6009 Madison County residents received assistance from the Illinois Public Aid Commission in November, amounting to \$233,877. It was announced this week at Springfield.

A breakdown shows assistance to Madison countyans as follows: 2770 persons received \$73,241 for aid to dependent children; 74 persons, \$1517; blind assistance; 231 persons, \$15,997; disability assistance; 191 persons, \$39,076; general assistance, and 1443 persons, \$100,446, old age assistance.

In conjunction with the five assistance programs in December, 7541 Madison countyans received federal surplus commodities, consisting of cornmeal, dry milk, flour and rice.

Council Approves \$19,449 Bill List

A bill list totaling \$19,449 was approved Monday night by Granite City council members, after deducting \$2634 for three bills for further study.

Alderman Paul Rutledge, chairman of the Finance Committee, who called for the separation of the bills, was given authority to approve payment of \$1500 to City Engineer David J. Johnston for partial allocation for an off-street parking survey.

Rutledge questioned the payment since the city has not seen the report. He was told by Johnston, who was present, that the report had been completed and presented to the Off-Street Parking Commission. The alderman said he would confer with members of the commission to determine if the survey was suitable.

Payments of \$634 to Nelson Electric Co. for electrical supplies for the police department shooting range and \$500 to Harry J. Fechte as final amount due for the city's All-American City film also were delayed. Rutledge said he will ask for a breakdown of the electric supply bill and wants to determine if the All-American City film (two copies) have been delivered to the city.

Among the bills approved were \$247 to Tri-City Heating & Air Conditioning Co. for heating and air conditioning work on the new fire house, \$400 to G. J. Siernberg & Co. for pavement work on Myrtle avenue; \$416 to Engineer Johnston for services in December, and \$733 to Melvin Pashea for maintenance of the city dump in January. Johnston also received \$622 for engineering plans for the widening of the St. Clair avenue bridge.

Other payments included \$859 to City Building Inspector Earl Bloomquist as 50% of building permit fees in December; \$30 to Alderman Samuel Whitmer for expenses, \$30 to LeMaster for expenses, \$5 monthly auto allowance for Police Chief Raymond Willard.

Cost of 2147 gallons of gasoline and 200 gallons of kerosene, paid to Federal Oil Co., was \$561, and dues paid to the Illinois Municipal League for the year ending next Dec. 31 total \$402.

Response To Mental Health Clinic Good

The Quad-City Mental Health Clinic has been working to full capacity in its first few weeks of operation, according to Mrs. Edwin Reiske, wife of a Mental Health board member, volunteer secretary who is receiving calls for appointments.

Dr. James R. Harle, psychiatrist for the St. Clair county center, has had a full schedule the two Saturdays he has been here. His hours are from 9 a. m. until noon, which allows him to see three patients. His assistant at the Granite City center, Dr. Donald Nachand, clinical psychologist, has also been seeing as many patients as he could during his hours from 1-5 p. m. on Mondays and Thursdays.

Approximately 20 appointments have been made for the next few weeks with many additional calls asking for information. This response reveals the interest in the clinic here, according to Mrs. Reiske. The telephone number to call for appointments is TRiangle 7-4420.

"From now on, anyone wishing to see Dr. Harle on Saturday must have a referral by a physician," Mrs. Reiske said. "This is to eliminate many preliminary questions and examinations. The doctor would have to make in order for him to utilize his limited time here. This referral will not be necessary to see Dr. Nachand."

A regular secretary, employed at the Alton center, is on duty when the psychiatrist and psychologist are in Granite City but someone in the future a secretary will be employed for the local office when two doctors can be set up here full time.

Both the Granite City and Alton centers are sponsored by the Madison County Mental Health Society.

Although limited hours are the rule at both centers with three doctors taking turns seeing patients, a definite pattern of demand for services and acceptance of the clinic will bring about the formation of full-week schedules, according to the society.

Dardarian Funeral Services Yesterday

Funeral services were held at 1 p.m. yesterday at a local funeral home for Satrag Dardarian, 90, who died of a heart condition at 8:30 a.m. Monday in St. Elizabeth Hospital. Interment was in St. John's Cemetery.

Mr. Dardarian was born in Armenia and lived in Granite City 50 years. He was formerly employed by General Steel Castings Corp. His only living survivor is his wife, Mrs. Marguerite Dardarian.

Tableware Also Taken

Al Graces, who reported a burglary Sunday at 2834 Cayuga street, told police Monday evening that a set of stainless steel tableware also had been stolen by the thieves. He earlier had reported the theft of two hammers, two hatchets, an electric hand drill and barber's clippers, shears and combs.

Garage Window Broken

Robert Flaughter, 3008 Denver street, reported to Granite City police Tuesday evening that a small pane of glass in his garage had been broken by vandals.

Fines Total \$10

Ignacio Galvin, 28, of 842 Niedringhaus avenue, was fined \$5 and costs on each count Monday, when he appeared before Police Magistrate Gasparovic and pleaded guilty.

Venice Board Questions School Psychologist Proposal

The Venice school district favors a "wait and see" attitude on hiring a battery of three psychologists to serve all schools in Madison county, board members said Monday night.

During its regular meeting, the board heard Supt. John O. Pier discuss tentative plans of the office of the county superintendent of schools to appoint a five-member committee to study feasibility of psychological treatment for subnormal and abnormal children in Madison county schools.

Question Adequacy Some board members felt that a staff of three psychologists could not adequately reach all students with problems. Even if they were employed on a full-time basis.

Pier said that, from his personal experience within the Ven-

ice district, about 10 hours of contact with a subject, consisting of interviews and tests, is required for a psychologist to diagnose any single case.

The board felt the system might be made effective if visits to the office of the county superintendent to various schools in the county on an appointment system.

If a battery of psychologists was made available to schools in the county, services would be paid for on a pre-arranged basis under the county superintendent's tentative plan, Pier said.

No school system in the county currently employs a psychologist, but such services are available in certain cases, he added.

IASH Meeting Pier and the board will attend an open meeting of the execu-

tive committee of the Southwest Division of the Illinois Association of School Boards in Belleville on Jan. 26.

Benors from the treasurer showed balances as of Dec. 31 of \$2229 in the district's activity fund and \$569 in the revolving fund.

Pier disclosed that a civil defense radio receiver, purchased last fall by the district to be used to pick up storm warning broadcasts from the Swansboro CD center, has arrived in East St. Louis and is to be delivered to the district's office within the next two weeks.

A mobile tuberculosis x-ray van will visit the Venice district from 1 to 5 p. m. on Feb. 25, it was announced. Free x-rays will be given to all students and to personnel employed by the

school district. Resurveys to five band instruments were authorized by the board.

No Insurance Settlement The district has not yet received final settlement of an insurance claim for items stolen from the Lincoln school in November.

Board Attorney Austin Lewis said a "definite answer as to whether or not any of the items stolen will be recovered" is to be obtained by him late this week when three suspects arrested in connection with the break-in and subsequently charged with the thefts are again questioned.

Pier said he is still awaiting the return of bids on several of the items to be replaced. Included are a tape recorder, movie camera and two typewriters.

Lucy Lucido Passes Funeral Director Exam

A secretary and general assistant at Lahey's Funeral Home in Madison for 19 years, Mrs. Lucy Lucido received word this week that she had passed an examination taken Dec. 15 for a funeral director license.

This will allow her to take an even more active role at the funeral home, according to Francis Lahey, director. The test was given by the state. Lahey, announced that his sister, Mrs. Lucy Willis also passed the test and is assisting her husband, Harry Willis, in Auburn, Ill.

HONORED AT SHOWER

Mrs. Sharon Shevick was honor guest at a stork shower Sunday afternoon in the home of Mrs. Frank Shevick, 2606 Iowa street.

Pink and blue were combined in the decorating scheme. Guests enjoyed games and opening of numerous gifts by the honoree. Many prizes were awarded.

Refreshments were served to guests. Albert Becker, Florence Byrnes, Glenda Duvall, Marion Goodin, Charlotte Hahn, James Edna Jones, Harriet Knoble, Laveola Knoble and daughter, Janice, Mildred Leathers and daughter, Tina, Joyce Martin and daughter, Cheryl Ann, Anna Michels, Susan Montgomery, Virginia Schaefer, Letta Schneider, Kay Nemeth, Norma Schwendemann, Betty Shevick and daughters, Mary Beth and Janice, Florence Shevick, Mary Thebeau, Laurie Thebeau and Martha Page, and Tresses Arlene Nemeth, Margaret Heinenman, Roberta Schaefer and Tina Thebeau.

The hostesses were Miss Leatrice Thebeau and Miss Pat Shevick.

Mrs. Waneta Hensley, 2808 Edgewood avenue, has departed for Penamont, Calif., to join her husband, who is working indefinitely in California for McDonnell Aircraft. She is driving west with Mrs. Daisy Sample of St. Louis, who is also joining her husband.

Mr. and Mrs. Hensley plan to return some time in the near future. Connie Clark, who makes her home with the Hensleys, will remain here with Mr. and Mrs. Paul Weathers, 2813 Edgewood avenue, to finish her term of schooling.

Joann Kay is the name selected for the new arrival of Mr. and Mrs. Joe Edwards, 2605 National avenue. She was born Jan. 12 at DePaul Hospital and her weight was eight pounds, 14 ounces. The Edwards have another daughter, Nancy, five.

New Member Wins GC Toastmaster Award

Meeting at her new home, the Granite City Toastmasters club awarded first prize Monday night to another "ice-breaker" speech given by a new member.

Marvin Dean won with a speech entitled "My Life." Another newcomer won with his first speech several weeks ago. A total of three new members have been added to the club since Christmas including Dean, Donald Kopp and Russell Robinson.

The other speech of the evening was given by William Cardwell which dealt with vertical takeoff airplanes. Toastmaster of the evening was Earl Tucker, general evaluator Herman Grove and the best critic award went to Donald Trimmel. Ten members attended the gathering held at the Grand cafe.

Dog Catcher Locates Owner Of Pet

The black and white terrier, found caught in a fence last Friday morning, was claimed by its owners Monday evening. It was reported by Dog Catcher Earl Angle. He said the owners, Mr. and Mrs. Alfred Schaefer, 3106 1/2 avenue, were happy over finding their missing pet.

The dog's left rear foot was caught at the top of a wire fence, and it was apparent the animal had dangled most of the night before being rescued.
